The Belle Glade Herald

Volume 14, Number 21 | Belle Glade, Palm Beach County, Florida Friday, Nov. 27, 1953 | Price $3.00 a Year—[illegible]

Slaughter Steers And Stockers Are 50c To $1 Higher

Total Number Down Slightly From Last Week's Record

With some "good" slaughter steers going as high at $17.50 and the same grade in heifers going at $16.50, the general price range for Monday's sale were 50c to $1.00 higher than last week's.

Producers are finding that Belle Glade is a good place to dispose of their good animals; on December 21st, we will have seven more of those good Hereford bulls from Seminole Farms, and in January, the Angus Association is putting on an Angus Bull Sale here at the Market.

Sale of Nov. 23, 1953

671 Cattle $39,841.90

77% to slaughter

Slaughter

Steers — Good 16.70-17.50; Coml. 13.00-16.00; Uty. 11.00-13.75; Cut. 10.00-11.25; Can. 6 25-8.75.

Heifers — Good 16.50; Coml. 13.25-14.00; Uty. 11.00-12.75; Can. 6.25-8.50.

Calves — Good 12.75-13.00; Coml. 9.75-11.50; Uty. 8.00-10.00; Cull 3 00-8.50.

Cows — Coml. 12.75; Uty. 9.25-12.00; Cut. 8.25-9.75; Can. 4.00-8.50.

Bulls — Uty. 11.25-12.00; Cut. 10.00-11.00; Can 6.25.

Stocker

Steers — 8.50-13.00.
Heifers — 5.00-9.50.
Calves — 1.00-12.25.
Cows — 3.00-10.00.

GLADES UNDERWRITERS HOLD MONTHLY MEETING

The regular monthly meeting of the Everglades Underwriters Association was held at the "Bend" in Belle Glade, November 19th, with a good attendance. Mr. G. Allen O'Neal, C.L.U., District Manager, of the Lincoln Life Insurance Company, of West Palm Beach, was the guest speaker. Subject of his talk was "Ideas That Sell". Mr. W. P. Humphrey of Gulf Life from Clewiston was welcomed as a new member which brought the total membership up to thirty-eight. Visitors were—Art Bound, Association Zone Director, and his brother Bill from West Palm Beach. It was voted that the Slate of Officers which were elected when the Association was started remain in office until June 30, 1954. The amount of the yearly dues was passed and adopted. President Batchelor, made a report on the State Directors Meeting which was held at Ocala, Florida in October.

DINNER PARTY HONORS RED IMES ON BIRTHDAY

A dinner party was given at the home of Mrs Alice Morris Wednesday night honoring Red Imes on his birthday. Present were Mr. and Mrs. W. P. Risk, Mr. and Mrs. Red Imes, Mrs. Morris and children, Joyce and Susan and Mrs. Louise Bibber of Spartanburg, S. C., sister of Mrs. Morris.

A MATTER OF CLOSE COOPERATION BY STATES

Just before the issuance of "It's Easy To Love" a widely promoted movie made at Cypress Gardens, Dick Pope, the effervescing manager went to California to make a talk to the advertising profession out there.

In his talk he used a large reprint of one of the scenes in the picture which shows "Miss Florida Citrus" a beautiful damsel with piles of oranges in crates and spilling out of other containers. A part of the background is a solid mass of oranges fastened to a board with long nails, each orange just as close to the other as practical.

Now, Mr. Pope in talking to the Californians about advertising and especially for the trade of the tourist emphasized cooperaitcn and told his audience that the particular scene of Florida's Citrus Queen was made in California with the use of California oranges. We appreciate the use of your oranges and the cooperation. He even said to them, "Your oranges were better for the job than ours—the juice won't run down the board and spoil the effect of the picture, **because your oranges haven't got any juice.**"

New Bank To Open In Palm Beach On Next Tuesday AM

A group of West Palm Beach business men have joined with Palm Beach and northern capitalists to operate a bank and trust company in Palm Beach, with the opening date Tuesday, December 1st.

J. J. Carter, Thomas M. Cook, Claude Reese, L. M. Studstill, Chas. Warwick, Jr., and D. E. Taylor are among the county folks who are well known in the Glades and who are active as directors in the new bank.

The bank will be located on Cocoanut Row and Whithall Way, where plenty of parking room is available, and is practically in the center of the Island.

Invitations have gone out to an "Open House, From Four Until Nine O'Clock, On Monday, November The Thirtieth."

The announced plan of the officers is to appeal to all of Palm Beach County's communities as a source of banking services.

MEMORIAL SERVICES OBSERVED BY OES

Memorial Services fcr Eastern Star members who have passed on were held at the Benevolent Hall Thursday night. Open Chapter was held and the family of Mrs. Esther January, who died several months ago, attended the services. Those were Palmer January, Mrs. L. Knight and Warren Battle. Other guests were Mr. and Mrs. Lon Adams from Pahokee.

"Advance Night" was also observed when line officers advance one station.

Announcement was made that $25 was being sent to the Masonic Homes in St. Petersburg by the chapter and that it was voted to send $25 to Shrine Crippled Children's Home also in St. Petersburg.

G. M. Rosenberg And J. P. Justice Anaesthetize And Dehorn Rams After Fifteen Minutes And Take Cup Away

Capacity Crowd From Glades Witness Smooth Hole-Opening, Blocking And Tackling

Guided Missle Rosenberg and Jet Propelled Justice put on a show Wednesday night aided mightly by the launching platform of the Pahokee Line and protected skillfully by "Fighters" in the form of blockers downfield to end up with a score of 40 to 12.

After the first quarter when Belle Glade overcame fumbles and nervousness to score once and get their collective noses inside the door for a second time only to bobble it away, a majority of the Belle Glade team served as interested spectators to the fast moving backs from Pahokee thru the holes bulldozed by the Devil line.

"Hit wer a bootifull show."

Now let Jimmy Williams report the field meet!

A tremendous display of power running by Pahokee halfbacks, Buford Justice and Hal Rosenberg overwhelmed a game and stubborn Belle Glade team by a score of 40 to 12.

Operating behind a fast rugged line which opened holes very often, the Devil backs were devastating.

Robert Mills, Pahokee fullback opened the scoring late in the 1st quarter by taking off over left guard for a thirty-nine yard touch down sprint. Goodson passed to end Tommy Elliott in the end zone for the extra point.

The Rams bounced back in the second period when tackle Jimmy Binkley covered a Goodson fumble on the Pahokee 46 yard line. After losing two yards to the 48, halfback John Schlecter pitched to end Glen Carroway who ran to the Pahokee one yard stripe, a 47 yard play, before he could be dropped. John Schlecter found a hole at left guard and dove through for the TD. Marion Bergman's kick went wide on the try for point.

Pahokee gained possession at its own 41 yard marker on an on-side kick by the Rams. On second down Hal Rosenberg burst through left tackle at the Pahokee 44 and flew 56 yards for a tally, giving Pahokee a 13-6 lead.

Following the kickoff from Bass, Joel Parker and John Schlecter teamed to carry the leather to a first-down-and-goal-to-go at the Devil three yard line. The drive was stopped and Pahokee took over at the one when Justice horse-collared Parker as he tryed to sweep left end.

Rosenberg added two more TD's in the third quarter on plunges of three and seven yards with Mills nad Justice hitting the line for the extra points.

Justice opened the final period with a plunge over left guard from the one yard line, climaxing a thirty-nine yard drive. Pahokee had taken over from the Rams when Devil Goodson had intercepted a Parker pass. Justice added the point through the same hole.

Mustering their strength, the Rams opened a nice path for John Schlecter at the Pahokee 39. He cracked through left guard weaved and swerved for a beautiful thirty-nine yard trip to the promised land.

Justice added one more tally as he took the ball on a reverse and sped 45 yards around right end to end the evenings scoring.

Immediately following the game the Bill Young Trophy was presented to Captain Buford Justice, who accepted for the Pahokee team. Master of Ceremonies, Frank Dooley, introduced Vernie Boots, President of the Belle Glade Lions Club, who turned the cup over to the Pahokee Lion President, Curtis Chase. President Chase made the presentation to the Pahokee team.

The Blue Devils last held the cup in 1948. In the series of games which began in 1943, Pahokee has now won four times, Belle Glade five times and two games have ended in ties, when the previous winner retained possession of the cup.

The Rams have held the trophy six years and the Blue Devils now take over for the fifth year.

The Belle Glade sponsors, Jeanie Royals and Janice Summerline looked lovely in navy blue suits and yellow accessories, carrying hugh bouquets of yellow chrysanthemums and gold and blue ribbons. Co-captains were Ervin McTaggart and Buddy Pitts.

Pahokee sponsors, Joan Kautz and Bonnie Meeks were attractively attired in blue suits and white accessories. Pahokee co-

Diversified Cooperative Training Has Been Proven In Public Schools

1. What is the D.C.T. Program?
   Answer: Diversified Cooperative Training — usually called DCT is a program of training offered in the junior and senior years of high school that has been designed to prepare students of employable age for job efficiency in a variety of occupations through utilizing the business and industrial establishments of the community as training agencies.
   Employers provide jobs on which student-learners receive planned and supervised training over a sufficient period of time to fix the requisite skills, and they cooperate with the school in setting up schedules of related study necessary to bring about the combination of skills and knowledge that makes the difference between a top-notch employee and the average worker.
2. How is it financed?
   Answer: The minimum foundation (Vocational funds).
3. What size school and communities are recommended for participation in the program?
   Answer: Any community where 20 to 25 training agencies or possibilities can be maintained.
4. What is the minimum number of D.C.T. students in participation for inauguration of the program?
   Answer: Half of the average daily attendance (A.D.D.) for regular program.
5. How could a regular curriculum program be arranged for student participation in D.C.T.?

Chairman Roberts Reports On Com. Xmas Seal Sale

Emmett Roberts, Chairman of the Belle Glade Christmas Seal Sales, reports the County sales for the first week amounted to $4,969.87, with Belle Glade having contributed $104.00, Chosen $3.00, Lake Harbor $7.00, South Bay $3.00.

"The letters have been sent out to a mailing list," said Mr. Roberts, "and the response from this Community thru this method has been delayed probably due to the busy bean-picking season. Everyone is urged to send in their contribution at an early date."

The proceeds of the Christmas Seal Sale will be used to support the 1954 prevention and control program of the TB Association. Mr. Roberts added that what the people give determines what the Association will be able to do in 1954.

Sunday, Nov. 29, will be Tuberculosis Sunday throughout the nation. Most of Palm Beach County's churches will cooperate in giving facts about tuberculosis in their church bulletins or from the pulpit. Lowery Davis, President of the local TB Asosciation, expressed appreciation for the churches' help in the fight abainst TB.

Beginning Monday, November 30, the Belle Glade Women's Club will operate Christmas Seal Booths at the Florida National Bank and the Hugo Theatre. Anyone wishing to purchase seals can buy them at the booth, or they can make their donation through the booths if they have not mailed a contribution to headquarters, Mr. Roberts said.

The work of the Association has been of great benefit to this area with numerous cases being discovered each year. Due to the large number of transients arriving each year, careful watch must be maintained to check and discover new carriers of this disease. Your contribution is protection for your family.

OSCEOLA CAMP SCHOOL
By Linda Atkinson

The second grade is writing Thanksgiving stories and drawing pictures to illustrate them.

On Thursday afternoon the Junior Red Cross representatives of the sixth grade, Robbie Lou Vaughn and Frankie Danley, attended a meeting at the Belle Glade Elementary School.

Thanksgiving baskets are being made by the sixth grade and are going to be used by the county hospitals.

National Guard Armory For Glades Unit Being Provided By Cooperation

Site Selected, Approved By Military And Accepted By City

Lt. John H. Cromartie, commander of the local National Guard unit, was appointed as committee chairman of the Belle Glade Junior Chamber of Commerce for the purpose of acquiring an Armory site in the Glades.

Upon Lt. Cromartie's invitation, Gen. Mark W. Lance, military aid to the Governor of Florida, and Col. Ralph W. Cooper, state property officer came to Belle Glade on Tuesday 24. With Mayor Rabin, they inspected and approved the proposed site.

Gen Lance and Col. Cooper, as guests of Lt. Cromartie, met with the Belle Glade City Council and provided the necessary information so that the Council could act upon providing the proposed site.

They explained to the Council that this Armory would not be forthcoming immediately, but that the Armory Board was setting up construction priorities for those places that would provide a site. Probable construction would begin July 1, 1955.

The Council then acted upon this proposal and voted to appropriate funds for this purpose.

PALM BEACH COUNTY WELL REPRESENTED AT STATE CHAMBER MEET

Palm Beach County had near a score of representatives at the St. Pete meeting of the State Chamber.

Representative John Bollinger, Jim Waugh, President and Ralph Blank, Manager of the Resources Development Board; Turner Wallis, Lamar Johnson, Mr. Arnold and Attorney Tylander represented the Central and South Florida.

President Ed Lively and Directors George Wedgworth and Emmett Roberts with Secretary Edwina Young represented the local Chamber.

Mrs. Ruth Wedgworth Timmons, Mr. and Mrs. R. Y. Creech and Mr. and Mrs. Luther Jones were over on flood control.

Flood control proved to be one of the greatest drawing cards, if not the greatest, at the convention, and the Committee put on a good show for the folks.

GLADES ARCHERY TOURNAMENT SAT.

Boys! Girls! Aults! don't forget to contact Julian Griggs at Chosen, today for entry in the Glades Archery Contest to be held Saturday at 9 am, Osceola Archers to be hosts. The contest will be in the rear of the nursery building, instead of on the baseball field, as previously announced.

PAR-TEE LINE
Country Club of the Everglades
By Kathleen Livingston

Kat Weeks was prize winner Friday when the Ladies Golf Assn. held their regular Ladies Day at the Country Club. Rap Weeks and Zelma Betzner tied for the other award. More galfers are getting out each Friday and the association plans to start some events which will interest beginners.

Several foursomes were out Sunday, including golfers from Pahokee getting in some practice. We are glad to see Louise Rhodes out again. Bill will have to take turns baby sitting so she can get out more often.

According to Joe the Clubhouse is getting her face lifted and with a little paint will be spick and span. Come on out and visit, and look over the course you might decide to take some golf lessons, or well, just stop by anyway.

HOSPITAL AUXILIARY TO MEET AT DOOLEY HOME

Mrs. Thomas Bregger, president of Belle Glade Hospital Auxiliary, announces the annual business meeting and installation of officers will be held next Tuesday, Dec. 1, 3 pm, at the home of Mrs. Frank Dooley.

Earlier the meeting was planned to be held at the Woman's Club, but due to conflict with library hours a change of location was necessary, she said. Every member is urged to attend this meeting.

JAYCEE ARMORY GROUP ENTERTAIN GEN. LANCE DURING VISIT HERE

Gen. Mark W. Lance and Col. Ralph Cooper of the National Guard were taken on a tour of Belle Glade and entertained with a dinner in their honor at Bell's Restaurant last Tuesday evening. Their host was the Jaycee Armory Committee consisting of Lt. John H. Cromartie, Bob Newman, and Eugene Ellis.

The group later adjourned to the City Hall, where the General and his aid made the Armory proposal to the City Council.

LOCAL RESERVISTS BOOST TRAINING

Land Polaroid by The Herald.

TRAINING IS NEEDED WHETHER THROWING A FOOTBALL OR HOT LEAD

All good football coaches preach that "condition and training" is the best assurance of well executed plays and the best insurance against injuries.

Seeing the "Attack of Leyte" by some 15,000 Marines and an equal number of the 81st Army Division, backed by as many additional men in supply and preparation, together with hundreds of naval vessels, **with the lives of each of the men at stake** impressed Rotarians Friday with the absolute necessity for intensive training for those boys.

Lieutenant Commander Bill Rhodes and Lieutenant Vernor Dexter USAR showed the Navy picture to Rotarians Friday, and all were impressed, as it was the first picture seen by some, where the cameramen were in as much danger as the boys carrying guns.

Commander Rhodes, second in command of the local Naval Reserve Unit told his audience that the local unit is attempting to recruit its strength up to 25 so that the boys will be paid for drill attendance. A regular navy-designed course of training is given the men and those in the unit have just that much advantage when they get into service—**and they will get into service.**

NEWS OF GLADES BOYS AND GIRLS IN THE SERVICE

Private Jack Moody, son of Mr. and Mrs. J. H. Moody, Belle Glade, recently completed the Field Wireman's Course conducted by the 33rd AAA AW Battalion of the Eighth Infantry Division's Specialist Training Regiment at Fort Jackson, South Carolina.

During his eight weeks training he learned to construct and operate a temporary telephone system in the field.

Emphasizing practical training, the course taught the installation of telephone lines in heavily wooded areas and over rugged terrain and the operation of a field-type switchboard.

Moody graduated with the class of 1951 from Belle Glade High School and attended Apalachian State College at Boone, North Carolina for two years before entering service.

Word was received here by his family that he shipped out the first of the week for overseas duty in Germany.

Other local boys completing the same course with the 8th Infantry Division in Fort Jackson recently were Private Buddy Cox, son of Mrs. Ruth M. Cox, Chosen, and Pvt. Belvie I. Mobley, son of Mr. and Mrs. B. I. Mobley, Belle Glade.

With the 45th Infantry Div. in Korea — Pvt. Harvey W. Fletcher, 24, son of Mr. and Mrs. J. W. Fletcher, Clewiston,

FLORIDA PRESS ASSOCIATION — ACTIVE MEMBER — 1953

NATIONAL EDITORIAL ASSOCIATION 1953 ACTIVE MEMBER

WASHINGTON NEWS LETTER

From George Smathers U.S.S.

Since the news got out that Britain had agreed to give that new 22-story Jacksonville office building a 1000-pound chip off the Rock of Gibraltar, many friends have joshed me about being "the only American to get something moving in this direction from over there." I may be pushing my luck and endangering my batting average, but now I am trying to sell Florida citrus to the Queen.

Oranges, grapefruit, tagerines now have been placed on the eligible list for export, under the Mutual Secruity Act, to non-Communist countries, mostly in western Europe. Since that battle is won, the selling of a portion of the large crop being harvested this season is a major responsibility. Florida Citrus Mutual and the congressional delegation is directing efforts toward Great Britain where citrus products already are popular. I wrote to Sir Roger Makins, K.C.B.,, K. M. C. G., the British Ambassador here, to ask his help with the appropriate government agencies.

I also suggested to Sir Roger that the fine fruits we are producing now are suitable to the Queen's taste and appropriate for placing regularly on her majesty's table. I was talking the other day with a Britisher describing our fine grapefruit as a guardian against the common cold, telling of the fat, juicy, sweet oranges being gathered from our groves, and recommending the unusual taste of new mildly spicy tangerine juice when he interrupted me to say I was making his mouth water. I hope it has the same effect on others.

Cattlemen Aided: The Department of Agriculture officially announced an emergency livestock feed program under terms of Public Law 875, Secretary Benson placing 17 South Florida counties suffering major pasture damages in the category for disaster aid. Herd owners should contact their county agents for details of the program under which corn will be sold for $1 bushel, oats for 50c, feed wheat at $1.10 and cotton seed meal at $35 ton. These prices are effective at commodity credit storage points, only 17 counties now in the program but we are asking additions to this list.

Notes Off the Cuff: Thanks are due to many who have written in approval of my suggestion to Sec/Def Wilson that U. S. POW's who stood up under Communist tortures be appropriately medalled. Have written Sec/Air Talbott recommending he tap Florida's reservoir of Spanish background citizens to assist in the construction of U. S. bases in Spain. A few correspondents have received tardy responses from me, because they addressed their letters to me in Florida. Any communications should go to my Washington office (Senate Office Building) where my staff remains.

Too Late To Classify

By Russell Kay

This week Eastern Air Lines put into operation, on its New York-Miami run, the first of a fleet of the faster, more powerful "Super C" Constellation planes equipped with the new "Turbine-Compound" engines.

These magnificent 88-passenger airliners, with their 13,000 horsepower, will operate on initial schedules of 3¾ hours between New York and Miami; as additional "Super Cs" are delivered, these will be used to speed up "Express" service on all major north-south trunk air routes.

Beginning December 15, Eastern Air Lines will inaugurate "Every-Hour-On-The-Hour service between New York and Miami, the industry's first experiment in long-range commuter service.

The total passenger airlift will provide a minimum capacity of 4,500 passengers, every 24 hours, between the two points. Additional day or night air coaches will be assigned to provide extra sections if public demand requires.

As a guest of Captain Eddie Rickenbacker, it was my privilege to join a group of press and radio officials on a pre-inaugural flight aboard the new "Super C" first turbo-compound powered airliner to go into service in the United States.

Leaving Miami at two o'clock in the afternoon we flew nonstop to Newark Airport in three hours and 33 minutes. While I have flown in just about every type of ship now in service on commercial airlines. I have never ridden any ship to compare with this new "Super C" Constellation. It compares with the early type puddle jumpers as a Model T Ford compares to a 1954 air-conditional Cadillac. It is truly the queen of the air.

I was impressed with the entire absence of vibration, the smoothness of flight and quietness within the pressurized, air-conditioned cabin. Flying at 350 miles or more an hour, the giant motors purr like a contended kitten and give no evidence of labor.

Florida is fortunate indeed to be served by such a progressive and advanced airline as Eastern, for it insures ever-expanding benefits in the form of the best in modern air transportation and the investment of millions of dollars in advertising to bring more and more vissitors to the state.

To meet the challenge of the nation's present economic trend, Eastern is preparing itself to offer mass transportation by air. Through stepped up schedules and the employment of the finest equipment it will cater to the masses rather than a limited group.

With unlimited faith in Florida and the nation's future, Capt. Eddie Rickenbacker is determined to bring air transportation within the reach of all at rates that all can afford. This can only be done through a substantial increase in passenger travel the year 'round.

By offering the traveler unexcelled service, plus speed, comfort and safety at the lowest rates, Rickenbacker believes that more and more; people will turn to air travel as the logical answer to their transportation problem.

No other state served by Eastern can hope to benefit from this new mass transportation effort as will Florida, for the bulk of any travel increase is bound to bring people to this state.

Fifteen Millionth Customer

Mrs. Alice Vallaeys, (left) of St. Petersburg, becomes the fifteen millionth customer in the United States to purchase Airko Moisture-Proof salt shakers. The sale was made in McCrory's by Mrs. Barbara Plake while James A. Morgan, store manager, watches. Airko shakers are made in Clermont, Florida by the Airko Manufacturing Co., world's largest manufacturer of salt and pepper shakers.

COUNTY COMMISSION DISCUSSES JUVENILE DELINQUENT PROBLEM

County Commission this week set up a joint commission-Board of Visitors committee to study available property for a new county children's home as well as other phases of juvenile detention.

Board action came after the Board of Visitors, an advisory group of citizens interested in the children's home and detention problems, had requested a new detention building on the grounds of the present home.

The two boards were at odds as to what was wanted. Visitors asked that the present children's home be kept while the commission on the other hand indicated a desire to relocate the children's home so their present facilities could be used in connection with the old folks home and county hospital adjoining the children's quarters.

When asked point blank by Commissioner Paul Rardin why they opposed use of some 11 acres of county owned land in West Palm Beach already designated for the new home site, the Board of Visitors claimed it was a poor location chiefly because it was too low ground.

Commisison Chairman Lake Lytal assured them that the acreage had been adequately filled but the citizens group still held out for retaining the present buildings though agreeing to examine other possibilities.

The joint committee was proposed by Commissioner Kenneth Foster who asked that it try to find a new location for a home that would meet the approval of both groups. He added that the board should also consider some sort of temporary detention home for the incorrigible delinquents who need to be isolated from the other children but not jailed.

These incorrigibles present the greatest problem presently at the home, the commission, was told by juvenile authorities, since no facilities are available to house them separately. There are a few from time to time, said Mrs. Nelle Simth of the county juvenile office, who re quire detention in a spot that will hold them — a destruction proof room. Some of these have to wait until the State can take them which often means a delay from one to three months, she added.

County Engineer Steve Middleton said it would take close to $30,000 to build the type of detention building requested by the Visitors. In view of this, Foster said, it would be better for a temporary unit now and then erect the juvenile "cell" house where the county's permanent children's home will be located.

Juvenile Judge Richard Robbins said it is necessary to keep such destructive juveniles under constant supervision since you are not dealing with mature mental processes. He noted that a national study concluded that it was "breeding crime" locking juveniles in a common jail. The State's juvenile laws, he also added, were not made to protect the parents.

His remarks came af ter Commission Chairman Lytle said he personally thought the business of protecting families and the children is being "overdone." If the children get to the point they need bars to hold them, said Lytal, then "we should deal with them accordingly."

"I wonder," he remarked, "if the county is approaching the juvenile delinquency problem as strongly as it should."

RARDIN STILL AT IT WITH GLADES ROADS

Progress of county road and bridge work in the Everglades was subject of a report made this week by County Commissioner Paul Rardin, Canal Point. Rardin told members of the commission that State Road Department crews had succeeded in patching a damaged section of Conner's Highway and that the road was open to traffic. State crews are scheduled to give close attention to the damaged road, Rardin said, in order that it can be kept passable.

Driving of test piling on a State bridge at Canal Point was also reported by Rardin as was a test piling project for a new bridge at Sand Cut being built across Levee 8.

MRS. LLOYD CLANTON NEW COTILLION PRES.

Mrs. Lloyd Clanton was elected president of the Cotillion Club at a business meeting held prior to the dance Saturday night at the Country Club. Other officers were vice-pres., Don Aspey; sec., Mrs. Ercel Mixson; treas., Bill Rhodes; Committee chairman, Mrs. Robert Muller. The charter was amended, adding two new officers.

Outgoing officers were Warren Battle, Lloyd Clanton and Mrs. E. A. McCabe.

Following the business meeting dnacing was enjoyed with a buffet supper served.

It was announced that all members are to participate in the dances and other events put on by the Club and that only paid-up members will be able to attend the New Year's Dance.

NEGRO NEWS

EVERGLADES VOCATIONAL HIGH SCHOOL

Sports

The Bobcats of Everglades Vocational High School met with Arthur Polly Mays of Goulds, November 20, at Lair Field in Pahokee, Florida. The game was very exciting with Hoover Tolbert of the Bobcats kicking off at 8:15. During the first quarter the Bobcats scored a touch down. At the beginning of the second quarter Mays scored their first touch down and missed the extra point. the Bobcats their second touch the Bocats their second touch down.

At the half time the score was 13-13. In the opening minutes of the 3rd quarter Clarence Brown scored for the Bobcats their third touchdown, then the Bobcats collected a touch back to go ahead 21-13. In the fourth and last quarter Mays scored another touchdown to complete the game with the Bobcats in the lead 21-19.

Class

The 9A class sponsored the assembly program on Wednesday, Nov. 18. Since this was the last assembly before Thanksgiving, the program had Thanksgiving as its theme. Mattie Starks did a very god job as mistress-of-ceremonies. Other persons appearing on the program were Carrie O'Neal, Mary Ella Jones, and Joseph Perry, Jr. A short skit was given by a group of 9th Grade students. Joseph Perry, Jr. gave a short talk on the First Thanksgiving.

After the program the class and its officers were introduced.

The officers are: Joseph Perry, Jr., President; Patricia Stephens, Secretary; Irma Mullins, Treasurer; Franklin Wimberly, Sgt.-at-Arms.

N.F. A. News

Last week several members of our chapter have been able to start two important projects listed in our annual program of work. They are: participate with community laymen in beautifying home surroundings. We have plowed a two-lot area for Mr. W. C. Taylor, getting this area ready for a beautification project, and also planted several varieties of vegetables in Lake Shore Elementary School garden area. We also added several varieties of vegetables to our local school garden. We have one acre of Tendergreen string beans about three weeks old that will be ready to harvest by December 15.

Our adviser informed us that preparation for training a judging team will commence on the 4th of December. We hope to have a team ready to compete with any high rating judging team of this state. We hope to have a score of appreciative value and to be highly recognized by the New Farmers of America State Association.

DON'T FORGET YOUR CHRISTMAS SEAL LETTER— fight TB

Fla. Livestock Assn. Holds Annual Meet In St. Petersburg

Florida's cattlemen took a strong stand against price supports at their annual convention in St. Petersburg last week, declaring themselves "strongly opposed to price supports and their attendant controls" and providing that newspaper editors throughout the state be informed of their action.

Florida State Cattlemen's Association, representing county and regional groups covering 47 of Florida's 67 counties, also reelected President Ben Hill Griffin, Jr., of Frostproof, and its other officers.

Directors of the group, meeting following the convention, adopted a resolution prasing Secretary Benson for his handling of the beef purchases disaster relief programs.

The praise, however, was tempered by demands that:

(1) The 14 counties eliminated from the disaster area be reinstated; and

(2) Florida got its fair share of beef purchases (to date only 4/10 of one percent of the purchases have been made in Florida, even though this state has nearly two percent of the cattle population).

Acting Governor Charley Johns revealed the omission of the 14 counties — including such flood ravaged counties as Orange, Osceola and Polk — when he read a telegram at the end of his prepared address, listing the 17 counties still included. The result was an immediate outburst from cattlemen affected who felt that the action was arbitrary and unrealistic.

Cattlemen also heard optimistic speakers point to the tremendous increases in beef slaughter and consumption which have accompanied the decline in prices, and predict that prices will remain steady to slightly higher during the next months, with higher grades selling somewhat higher.

Officers reelected include: First Vice President B. J. Alderman of Grandin, Second Vice President, Jay B. Starkey of Largo and W. D. Roberts of Immokalee, Secretary, June Gunn and Treasurer, R. Elmo Griffin, both of Kissimmee.

The Junior Florida State Cattlemen's Association was reorganized with Doyle Conner of Starke, state legislator and candidate for Speaker of the House of Representatives, as president. Others officers are: First Vice President, Cushman S. Radebaugh, Jr., of Orlando; Second Vice President, Miss Lois Oxman of Dunedin and Miss Sandra Penegar (who was also named Miss Florida Cowgirl of 1953) of Clearwater; secretary-Treasurer, Dan Carlock of Stuart. A committee including Alto Adams, Jr., of Fort Pierce and Phil Turner of Arcadia was named to work on membership extension.

Counties represented at the meeting included:

Alachua, Bradford, Brevard, Broward, Charlotte, Citrus, Columbia, Dade, DeSota, Flagler, Gilchrist, Glades, Hardee, Hendry, Highlnads, Hillsborough, Indian River, Lake, Lee, Mnaatee, Marion, Martin, Okaloosa, Okeechobee, Orange, Osceola, Palm Beach, Pasco, Polk, Pinellas, Putnam, Sarasota, Seminole, St. John, St. Lucie, Sumter, Volusia, and Washington.

The U. S. Department of Agriculture has a new publication on feeding molasses to livestock.

LEGAL NOTICES

PUBLIC NOTICE

From where I sit ... by Joe Marsh

The Missus Keeps Posted

Ever since our electricity was cut off last year on account of me forgetting to mail in the payment, the Missus has been sort of leery about giving me letters to mail.

At first she'd ask if I mailed them, then double-check my coat pocket at night. She stopped that, and I figured she was convinced I'd learned my lesson.

Then yesterday, I got a postcard at the office in a familiar handwriting. I turned it over and by golly it was from the Missus herself! It read: "Thanks, Joe, for mailing my letters." Well!

Looks like she figured I *still* needed some checking-up and slipped that postcard in the last batch of letters.

From where I sit, an occasional check-up is a good thing. Check-ups on just how tolerant we are of other people's preferences and tastes, for example. I like a glass of beer with supper, you may prefer cider—but if I ever try to switch you to my choice, simply "address" me with a reminder of your rights.

Joe Marsh

E. M. Van Landingham attended the State Livestock Board of Directors meeting in St. Petersburg recently.

NEWS VIEWS

E. D.

By

E. D. & DOUG

If you've noticed any suspicious looking characters at football games this season just scribbling notes, don't get panicky. They're not hirelings of a foreign power jotting down flashes fresh from the griddle about the quaint manners and customs of America. They're simply scouts for the big bowl games on New Year's Day.

Once upon a throwback in time, there was just the Rose Bowl game in Pasadena, California. But now there are dozens of bowls all over the country . . . and the competition for competition is razor sharp. Some teams have already signed up, and many others are waiting. With each club getting up to $100,000, every bowl is a gravy bowl . . . and the hungry colleges are anxious to get in their licks. And hoye they don't take a licking.

DOUG

A Mississippi man sued for divorce on the ground that his wife left him 30 years ago and hasn't been back. Sounds like he's the impatient type. No need to have your patience tried by the Christmas shopping scramble . . . You'll find lots of gift ideas right here in our store . . . including complete lines of Dorothy Gray, Lentheric, Revlon and Yardley toilet preparations and cosmetics. Make your gift shopping easy at GLADES DRUG STORE.

MRS. BARRON HONOREE AT DINNER PARTY

Mrs. Ruth Barron was complimented at a dinner party Thursday evening at her home on Ave. B in celebration of her birthday. Fall flowers were placed attractively around the room. The birthday cake was frosted in colors of pink and white and topped with the words, "Happy Birthday Ruth". In addition to the lovely gifts, a beautiful table lamp was presented to the honoree.

During the evening bingo was played with Mrs. Gladys Brown winning the prize.

Guests were Mr. and Mrs. D. B. Mathis, Mr. and Mrs. Omar Nelms, Mr. and Mrs. George Scarborough, Dr. and Mrs. S. J. Simmons, Mr. and Mrs. K. E. Lutz, Mr. and Mrs. James Cook, Mrs. Anna Clayton, Mrs. Gladys Brown, Mrs. Ed Browning and Harry Doggett.

SORORITY PLEDGES HONORE AT BANQUET

Mrs. J. G. Abbott, Mrs. G. E. Averill, Mrs. Dan Beardsley and Mrs. C. L. Todd were formally pledged into Florida Beta Xi Chapter of Beta Sigma Phi at an impressive candlelight ceremony held following a banquet in their honor at Edelweiss on Tuesday evening at 8:00 pm.

The ritual table was impressively decorated with the traditional yellow rose in a black vase flanked by tall black tapers and the club banner of white satin with black and gold shield of the sorority prominently displayed on the front of the table.

Mrs. Earl Lindrose, chapter president, presided at the ceremony assisted by Mrs. Basil Cook and Mrs. E. M. Ayers. Mrs. J. E. Jones and Mrs. Douglas Thompson were door attendants. Members of the sorority, in formal attire formed a semi-circle in front of the ritual table, holding white lighted candles decorated with white and black paper holders. Mrs. Frank Dooley, sponsor, and Mrs. Francis Harris, director stood at each side of the ritual table.

Sorority members welcomed each pledge into the club at the conclusion of the ritual.

A short business session to take the place of the regular meeting ordinarily falling on Thanksgiving night, followed the pledge ritual, with Mrs. Lindrose presiding.

Mrs. E. F. McAllister, chairman of the service committee remined everyone of the dead line for the gifts to be sent to inmates of Chatahootchie.

Mrs. Milton Carpenter suggested that the drawing for the Christmas doll be held at Bell's Drug Store.

Final plans for the annual dance in honor of the pledges on Saturday evening next was nanounced by Mrs. Frank Anderson, social chairman.

Others present were Mrs. Sam Lovell, Mrs. Doug Wooten, Mrs. Louis Kirchman, Mrs. Rosa Nash, Mrs. R. T. Bell, Mrs. E. F. McAllister, Mrs. Irving Zumpf, Mrs. Carl Cone, Mrs. Clyde Clayton and Mrs. O. G. McWhorter.

GENE HOLLINGSWORTH PARTIED ON BIRTHDAY

Mr. and Mrs. Jack Hollingsworth entertained Monday afternoon in honor of their son, Gene's 5th birthday, which will be on Nov. 28.

The Thanksgiving theme was carried out in the decorations of gladiolus, crotons and balloons in colors of orange, green and yellow.

Favors of story book dolls holding balloons were given each guest. The birthday cake was frosted in white icing and decorated with red roses and red candles.

Refreshments of cake, ice cream cones and drinks were served.

Six of the guests all have birthdays within six weeks of each other and are the same age. Present were: Millie Kirchman, Larry Pipes, Sherry Knight, Jane Wierengo, Yvonne Lockmiller, Cliff Collins, Karen Sue Harris, Linda Hollingsworth, Donald Hayes, Bonnie Jean Anderson, Barbara Collins, Rickie Fessenden and Vicki Hollingsworth.

Mrs. W. L. Collins and Mrs. F. C. Hollingsworth, Sr., Gen's grandmothers were also present. Mrs. Culley Collins and Mrs. Lorie Fessenden assisted Mrs. Hollingsworth.

MISS MILLER ANNOUNCES WEDDING ATTENDANTS

Miss Jacqueline Vernitia Miller, whose marriage to Jack Alton Parker will take place at the First Baptist Church, Belle Glade, with the Rev. U. W. Malcolm officiating at 4 pm, Nov. 29, has announced that Mrs. Edwin Prevatt will be her matron of honor and bridesmaids will be Miss Catherine Friedheim, Miss Eleanor Miller, Miss Bonnie Williams and Miss Beulah Sivyer, of Miami. Brenda Kate Prevatt will be flower girl.

John Little will be Mr. Parker's best man and ushers will be Charles Hickman, Joel Parker, Paul Miller and Maynard Osborn of Miami.

Immediately after the ceremoney there will be a reception at the home of the bride's parents, Mr. and Mrs. E. J. Miller on North Main St.

All friends of the couple are invited to attend the wedding and reception.

* * *

SAMMY VAN LANDINGHAM CELEBRATES BIRTHDAY

Mrs. E. M. Van Landingham entertained Thursday, Nov. 19, at her home on S. E. First St., complimenting her son, Sammy, on his 8th birthday.

Games and contests were played and favors given each guest after which a wiener roast was enjoyed. Chidlren attending were Hub and John Spooner, Barbara and Carol McClure, Jay Freeman, Buckie Holt, and Ronnie McWhorter.

* * *

WOMAN'S CLUB HEAR JUDGE E. B. DONNELL

Judge E. B. Donnell of West Palm Beach, was guest speaker at the meeting of the The Woman's Club recently.

Mrs. Frank Hobson, program chairman on American Citizenship, introduced her father, Judge Donnell. He gave an interesting talk on the "Two Party System" and the importance of having two parties, and told about the state and national committees, of the Republican and Democratic parties. He then gave a history, going back to George Washington's time.

The Club authorized a committee to investigate a site and costs of a building to house the kindergarten which is sponsored by the Woman's Club.

Hostesses for the afternoon were Mrs. Guy Wood, Mrs. Robert Ford, Mrs. R. Y. Creech, Jr., Mrs. Lois Ruff and Mrs. Robert Lanier.

"Industry is on the move," states A. D. Davis, chairman of the State Industrial Council and head of Winn and Lovett organization, and points out that the trend is toward Florida and the South.

SWEET SUE, SWEETHEART OF BETA SIGMA PHI

Skeet Sue, the 21 inch Sweetheart to Beta Sigma Phi doll is now being displayed at various drug stores in town, representing the annual attempt of members of Florida Beta Xi Chapter of Beta Sigma Phi to raise money for the swimming pool fund.

Mrs. Milton Carpenter, chairman of the Ways and Means committee has announced that the doll is now on display at the Glades Drug Store and will remain there until December 2nd, at which time she and her complete wardrobe will be moved to Bell's Pharmacy and remain there until the drawing on December 12th. The person holding the lucky number does not have to be present to win the doll. The drawing will take place at 8:00 pm.

Tickets are now being sold daily at the Glades Drug Store by relay teams of sorority members, except on Sundays, and will be sold at Bell's Pharmacy daily until December 12th. Tickets will continue on sale at the Glades Drug Store after December 2nd, and may be purchased from any member.

Sweet Sue, a blond 21 inch doll, is currently being shown in a hand crocheted White Wedding Dress made by Mrs. Rosa Nash. Accessories were made by Mrs. E. F. McAllister as well as the wedding veil. The Sweetheart of Beta Sigma Phi is also equipped with hand made outfits from all of the members and a trunk to hold all her attire.

Others assisting Mrs. Carpenter on the Ways and Means Means Committee are Mrs. Doug Wooten, Mrs. Sam Lovell, and Mrs. O. G. McWhorter. Photographs by Averill Studio are being displayed of Sweet Sue on posters throughout the city.

MARY-MARTHA CIRCLE FINISH STUDY BOOK

The Spanish speaking Puerto Ricans and Cubans in the United States and our responsibility toward them, were the topics of discussion used by Mrs. Herbert Beck in the review of the concluding chapters of the study, "Within These Borders", at the meeting of the Mary-Martha Circle of the Women's Society of Christian Service at the home of Mrs. Ralph Kidder Monday afternoon, Nov. 23.

A Thanksgiving devotion, "God Our Provider", taken from the Upper Room was presented by Mrs. George Farnall.

Announcement was made of the rummage sale under the auspices of the Woman's Society of Christian Service to be held on Sat., Nov. 28, on the property adjoining Royal's store; also of the turkey dinner and bazaar to be held on Tuesday, Dec. 8 at the American Legion Hall from 6 to 9 pm. Tickets for the dinner adults $1.25, children 75c.

Others present were Mrs. D. W. Harris, Mrs. H. V. Draa, Mrs. C. A. Bailey, Mrs. Walter Roth, Mrs. N. T. Taylor, and Mrs. M. M. Sabiston. Guests were: Mrs. C. P. Springer and Mrs. W. E. Harker.

Mrs. Kidder and Mrs. Robert Allen were co-hostesses for the meeting.

JAMES WALL SELECTED MEMBER OF FRATERNITY

James Wall of Munroe, Ga., was one of twelve Emory University members of Omricron Delta Kappa, national leadership honorary, initiated into the fraternity in the chapel of the Church School building at Emory University Monday, Nov. 23, at 6 pm. Initiation ceremonies were followed by an ODK banquet in the Alumni building.

Wall, theology student is active in student council and publications. Mrs. Wall, until her recent marriage was Miss Mary Eleanor Kidder of Belle Glade, daughter of Mr. and Mrs. Ralph W. Kidder.

WOMAN'S CLUB TO STAGE BRIDGE AND GAME PARTY

Mrs. Herbert Beck, general chairman for the Dec. 2 meeting of the Woman's Club, announces that a members dessert bridge and games party will be held at the Woman's clubhouse. Refreshments will be served at 3 pm. Members attending are asked to bring score pads and cards.

Hostesses are Mrs. C. A. Bailey, Mrs. H. L. Royals, Mrs. N. T. Taylor, Mrs. Susan McKenzie, Mrs. Dora McWhorter and Mrs. Walter Thames.

"Flash for Florida!" says Gwen Redford as she admires a pair of fine cowboy boots, especially made to honor the state of Florida. These boots show replicas of the state capitol building, seal and other state insignia. They were made by Acme, the world's largest makers of cowboy boots, and are now on display

You could step high, wide and handsome in this pair of boots, and there would be no question of your home state for these regulation cowboy boots carry the name and replicas of official insignia of the state of Florida.

In letters and designs carved from leathers that were secured from many parts of the world, the name of this state, and reproductions of the state capitol building, state flag and other official emblems are handsomely and expertly cut and sewn into the pattern of the boots.

Hy Pearlman, manager of the Army Surplus Store where these boots will remain on display until December 5th, states these boots were made by the world's largest makers of cowboy boots, the Acme Boot Company, Clarksville, Tennessee. He further stated that the demand for cowboy boots, both for youngsters and adults, is on the increase and has been for the past several years.

NEWS OF GLADES BOYS

(Continued from Page One)

Fla., is serving with the 45th Infantry Division in Korea.

The first National Guard division to see combat since World War II, the 45th Infantry was federalized in 1950 and arrived in Korea during December 1951. It is now receiving intensive post-truce training.

Private Fletcher, who arrived overseas in September, is an ammunition bearer in the 180th Infantry Regiment's Heavy Mortar Company. He wears the National Defense Service Medal and the UN and Korean Service Ribbons.

Fletcher entered the Army in January and completed basic training at Fort Jackson, S. C.

With the 40th Infantry Div. in Korea — Ray L. Wililams, 24, whose wife, Annie, lives at 700 S. W. Avenue B pl., Belle Glade, Fla., recently was promoted to sergeant while serving with the 40th Infantry Division in Korea.

The former California National Guard division, which arrived in Korea during early 1952, is undergoing intensive post-truce training.

Sergeant Williams, a squad leader in Company B of the division's 224th Infantry Regiment, entered the Army in November 1952. The son of Fred Williams, Riviera Beach, Fla., he received basic training at Fort Riley, Kans., and arrived in Korea last month. His mother, Mrs. Serreather Williams, lives on Route 1, Box 1628, Pompano Beach.

REV. PETRIE TO SPEAK ON COMMUNISM AT PTA

Thursday afternoon, Dec. 3rd, the Belle Glade Parent Teacher Association holds its monthly meeting at the High School Auditorium at 9 pm. The guest speaker will be the Rev. John Clarence Petrie of St. John the Apostle Episcopal Church. The Rev. Petrie will speak on "Communism". Before his ordination into the Priesthood of the Episcopal Church he was a teacher in the public schools of New York State and his address will be of interest to the teachers and parents. Miss Marian Najarian will be in charge of the Christmas music.

MRS. DALLAS NEHLS NEW LADIES AID PRESIDENT

Mrs. Dallas Nehls was elected president of the Ladies Aid of St. Peter's Lutheran Church at the regular meeting which was held at the home of Mrs Harold Riedel, Tuesday night.

Others officers were: vice pres., Mrs. J. G. Allhands; sec., Mrs. Victor Green; treas., Mrs. Harold Riedel.

Mrs. Allhands had the study on Acts, chapter 10-11.

Members voted to send a box of warm clothing to Lutheran World Service for foreign needy. Plans were made for the annual Christmas party to be held at the home of Mrs. Frank Kruse on Dec. 28. In conclusion, Mrs. Harold Riedel contributed a whilte elephane sale as a means of raising funds.

Guests were Mrs. Arthur Stone and Mrs Elmer Osking. Other members present were: Bob Fleihs, Jr., Mrs. Bob Fleihs, Sr., Mrs. Paul Kirchman, and Mrs. Frank Kruse.

G. M. ROSENBERG

(Continued from Page One)

captains were Robert Goodson and Buford Justice.

The sophmore won first prize for their float in the parade. The float Devil Spray with two girls spraying, using a large spray gun.

The Belle Glade Baby Rams finished an undefeated and untied season when they chalked up their last victory over the Clewiston Baby Tigers. In seven games, only Clewiston was able to cross their goal line, for touchdowns.

Playing in Lake Worth they won with a 13-0 score, and in two games against the Little Blue Devils a 6-0 and 7-0 victories were made; Games with the Okeechobee juniors were 32-0, 32-0 and two grid battles against Clewiston, 7-6 and 13-8 in favor the Baby Rams.

The Baby Rams scored 100 points to 14 for all opponents.

All the Baby Rams deserve credit for their excellent playing as well as their coaches, Morris and Godwin, for the work they have done with these boys who will be our future players.

The first game of the season was played against Miami Tech, in Miami. After leading Tech at half time a dead tired, rain soaked Belle Glade team finally went down in the closing minutes of the game. Played to a standstill on the ground Tech took to the air and scored twice on heaves by Lefty Renaud to end Richards Morris. Final score was 13-6.

The second game was played at Memorial Field against the Vero Indians. Two minutes after the opening whistle the fans were on their feet as Lavon Bass took a punt on BG's 43 yard line and scampered 57 yards for a BG touchdown. Joy was short lived however because the Indians hard driving backfield of Devone Carter, Offut and Morgan used the last three periods to gather 3 TD's for a 20-7 victory over the Rams.

In the Clewiston game, hard work by a win hungry squad and its coaches, and an excellent scouting job by Pellon Morris brought the Rams a victory against the neighboring Tigers, who were supposed to mop up the field with the Rams. On a carefully prepared defensive play, Walter Mosley broke the ice by dashing through a custom-made hole in the Clewiston line to block a punt and gather in the ball for a 12 yard trip to Clewiston's goal line. Working hard on their nest egg the Rams ran it to a 12-6 victory over a dismayed crowd of Clewiston fans and broken hearted Tigers.

Continuing to score first in their game against Ft. Pierce the Rams led a surprised Ft. Pierce team 6-0 into the third quarter. Then, the roof fell in as the Eagles hit the airlines for a TD and continued the assult until they had racked up a 33-6 win over the Rams.

The second victory was over Stuart as the locals came against the Clawless Stuart Tigers. Joel Parker ran 10 and 65 yards to pay dirt, Walter Mosley 18 yards and Johnny Schlechter 76 yards, operating behind a Ram line which would not bend for the visiting Tigers.

In the Pompano game played at Memorial Field fullback Joel Parker providing the scoring punch vs. the highly regarded Beanpickers. Finding the shot over left tackle to his liking, Parker races 31, 11, and 66 yards for touchdowns with McTaggart going across from the one yard line. The forward wall effectively contained the Pompano attack and the Rams came off the field with a pleasing 25-6 victory and an even break in games, 3 won, 3 lost.

The 7th game of the season vs Lake Worth, John Schlechter hit right tackle and traveled 41 yards for a Belle Glade TD before the crowd had barely made itself comfortable. Joy was truned to apprehension in the second quarter and deep gloom before the final whistle signified a 17-6 Lake Worth victory. Trojan Cook had finally achieved a win over the team which he had left to take the Lake Worth helm. Belle Glade had been unable to do anything right especially in the opinion of the officials for the game.

Belle Glade playing against Seacrest hit the winning trail again, a crippled and battered Ram squad turned in a methodical 26-7 job on the pre-season highly regarded Sehawks. B. T. Thomas stepped into the quarterback spot of injured Walter Mosley and directed the attack. Mosley and guard Eddie Robertson were lost for the season, further disturbing the Ram's followers who were watching the arch rival Pahobee Blue Devils gain strength and run wild against a Vero Beach team which had decisively licked BG.

The Belle Glade turn-up against Okeechobee proved to be a hard fought game. Hard hitting line work and exhibitions of ballet-dancing by B. T. Thomas and John Schlechter, the plunging of Joel Parker, plus pass catching by Parker and end Harry McDonald gave the local gridders a 13-0 win over the Brahmans.

HIGH SCHOOL NEWS

On Nov. 19 the 4-H Club girls met at the food lab. in Room No. 1. Mrs. Pearce and Mrs. Reynolds gave demonstrations on how to make lamps and how to wire the base.

Miss Elizabeth Hudson, assistant Home demonstration agent, and Mrs. B. Q. Waddell, senior leader were present. Members attending were Jackie Amedee, Delores Robbins, Jeanette Waddell, Cherry Corbin, Dorothy Irvin, Bunnie Whitehurst, Nancy Bass, Frances Layfield, Laura Beth Warren, Sue Ann Hemphill, Aileen Hemphill, Martha Faye Davidson, Arlyce Bedsole, Mary Wheler, Mickie Scrape, and Winifred Burry.

MRS. VAN HORN SPEAKS TO JENSEN BEACH GC

Mrs. Ivan Van Horn spoke on the "Raising of Carnations" at th Jensen Beach Garden Club meeting recently held at the Community Center.

The president, Mrs. A. E. Hptchinson presented Mrs. Van Horn with an orchid corsage in appreciation of all the help she had extended to them during her term as 6th district director.

She was asked to judge displays entered by members, but suggested that the members take part and the winners were judged by votes.

VETS ADMINISTRATION

Veterans in Florida taking undergraduate college work under the Korean GI Bill may shift from one bachelor's degree to another, without having it count as their one-and-only change of course allowed under the law, Veterans Administration said today.

In order to make the switch, veterans must do it soon enough so as not to involve any more training time than was originally required to complete the course, said V. S. Parker, Manager of the Miami Regional Office.

As an example, Parker pointed out that a veteran who had enrolled for a four-year course leading to a BS degree in agriculture could move over to an AB degree in liberal arts, and, as far as the law is concerned, it would not be considered a change, so long as the overall training time did not exceed four school years.

The reason that changes in degree need not constitute changes in course is that VA lists a veteran's educational objective as a baccalaureate degree, without any reference to his major field of study.

Therefore, a change in the type of bachelor's degree obviously would not be a change in training objective, if the training time isn't lengthened, Parker said.

Parker added that although a veteran is required to list a specific type of bachelor's degree on his application for Korean GI training, his originally-designated objective still is considered to be only a baccalaureate degree.

Nevertheless, colleges still are required to inform VA whenever a Korean GI trainee changes the degree for which the veteran was originally enrolled. The school must certify that the change does not involve any extension of training time; it also must give the name of the revised degree objective to which the veteran has changed.

The Korean GI Bill allows veteran-trainees to make no more than one change of course. A course change usually means a change in the professional or vocational objective for which the veteran is aiming, Parker explained.

Don't Shoot Deer In Broward And Dade Counties!

High water in the Everglades region has required the Game and Fresh Water Fish Commission to issue an emergency order closing Dade and Broward Counties to the taking of deed, C. W. Pace said this week. Field men in the Everglades Area, as well as many private individuals, have reported that deer are concentrated on small islands and dykes in the Sawgrass Area of the Glades. Once these deer are forced to leave these high places, they are in water so deep that they must swim and are at the mercy of the hunters. Under such conditions, hunting of deer ceases to be a sport and becomes a slaghter.

The deer in the Sawgrass Area of the Glades suffered very heavy losses during the past hunting season and it is believed that further hunting during the present season with water conditions as they are would exterminate most of the remaining breeding stock.

Officials of the Central and Southern Florida Flood Control District state that the water in the impoundment area is not expected to recede more than a fraction of a foot for several weeks. Pace stated that if the water recedes sufficiently to offer deer a reasonable chance against the hunter, the season will be opened later in the year. He also stated that closing these counties to deer would not prevent the hunting of waterfowl in the impoundment areas or in other parts of Dade and Broward Counties.

All hunters are urged to cooperate with the Commisison during this period of emergency and Wildlife Officers have been altered to keep an especial lookout for illegal taking of deer.

RAMS WIN FIFTH GAME OF SEASON

The local gridders journeyed to Okeechobee last Firday and returned home with a 13-0 victory over the vastly improved punch of Okeechobee Brahmans.

Meeting surprising resistance in the Brahman forward wall, Bobby Joe Thomas took to the air as he directed a well mixed card of plays. If the Rams found the going tough in the early part of the game the Brahmans found it even tougher. Okeechobee drove to the Belle Glade 29 yard line soon after the second quarter began, but there an Okeechobee back was jarred loose from the ball and an alert Ram covered the threat.

After engineering a drive which began at the BG 42 yard line B. T. Thomas sneaked over from the Okeechobee 2 for a second quarter tally. Drive down field was made on running of Johnny Schlechter and Joel Parker, and Thomas to McDonald passes. Thomas threw to Parker in the end zone to put BG in front 7-0.

Rams scored again late in 4th quarter when Schlechter gathered in a punt on the BG 20 yard strip and raced to Brahman 39 line. After six plays, two of them passed to Parker, he crashed over left tackle from 7 yd. line to add final six pointer of the evening. An attempted pass for extra point failed.

The Rams would probably have added another marker if time had not ran out. With a minute to go, Schlechter galloped 55 yds. to Okeechobee's 8 yard line on a beautifully executed double reverse. The horn closed the door before another play could get underway, leaving BG on top 13-0.

After the game Brahman coach, Bill Young stated that Okeechobee had played its best game of the season against the Rams. He also commented the Ram forward wall was one of the best he had seen all season. Of significance in the game was the complete absence of 15 yd. penalties, the only miscues being off sides and back field in motion errors.

TROOP 2 GIRL SCOUTS WORK ON XMAS GIFTS

Troop 2 Belle Glade Intermediate Girl Scouts met Monday afternoon at the girl scout hut for their regular meeting. Mrs. F. C. White's patrol worked on oilcloth covers for kitchen cleanser cans and Mrs. Douglas Matthews patrol started work on some Christmas gifts made of plastic cloth, some making pot holders and some wrist purses. Mary Goforth served refreshments of cupcakes that she made herself and Cokes. Alice Dupere was a visitor.

SCOUTS MAKE TURKEYS FOR TRAYS AT HOSP.

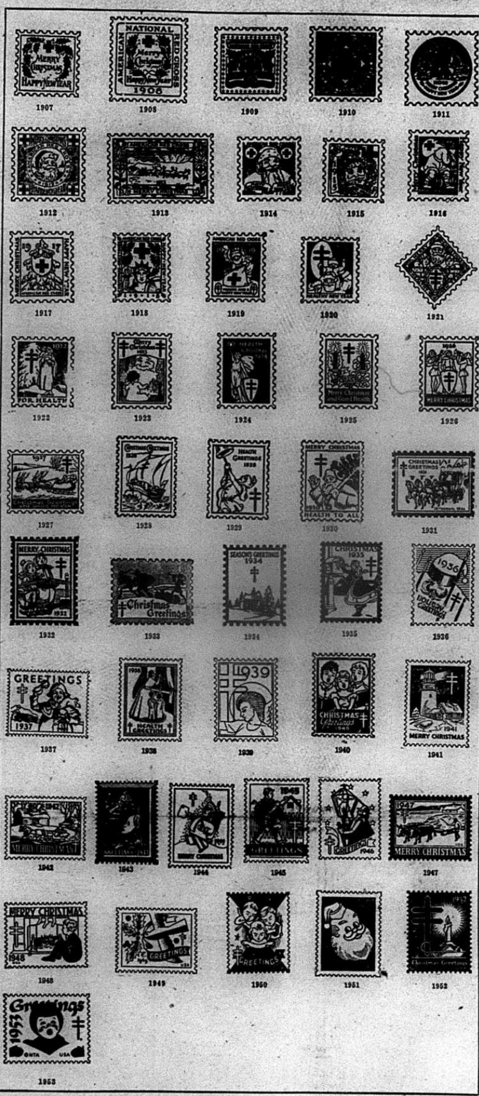

Den 6 of Pack 22 of the Belle Glade Cub Scouts made construction paper turkeys last week at their regular meeting and this week took them out to the Belle Glade Hospital to be used on the patients trays Tranksgiving. They also contributed comic books to the nursery library. Billy Burkett served refreshments to the following Cubs: Kent Bell, Bobby Carter, Frank Matthews, Butch Davis, Don Hobson, Carl Norris, Danny Willits and their leaders, Mrs. Frank Willits and Mrs. Douglas Matthews.

Sprinkle cinnamon in the pan of water atop an oil heater to spread a fresh spicy odor through the house on chilly days.

METHODIST LADIES TO HAVE RUMMAGE SALE

The Ladies of the Women's Society of Christian Service of the Community Methodist Church will have a rummage sale Saturday morning, starting at 8 o'clock next to Royal's new store, on corner of Ave. B and S. W. 4th St.

Rummage may be left at the home of Mrs. M. M. Sabiston at 201 S. W. Ave. D.

FATHER PETRIE TO PREACH ON THE DEITY OF CHRIST

During the first three Sundays of Advent, which begins next Sunday, Father John Clarence Petrie, vicar of the Episcopal Church of St. John the Apostle, will deliver a series of sermons on the theme, "What Ye Think of Christ?" The first will be given nevt Sunday at 9 am, "The Witness of the Old Testament". Others to follow will be "Christ's Witness to Himself," and "Who Else is There?"

Advent marks the beginning of the Christian Year, Father Petrie explains, since it is the season of preparing for the birthday of Jesus at Christmas time. The color is violet or purple to signify the darkness that lay upon mankind before the coming of Him who is the Light of the World.

The service will be the Holy Communion and it will mark the Corporate Communion of Men and Boys which is now a nation-wide custom in the Episcopal Church.

UNITED THANK OFFERING AT ST. JOHN THE APOSTLE

Last Sunday the members of St. Elizabeth's Guild made their corporate Communion at the Episcopal Church of St. John the Apostle and presented the first United Thank Offering of the new organization. Mrs. B. E. Weeks is chairman of the Offering. The women of the Episcopal Church presented two and a half million dollars a year ago at the Triennial Convention of the Church in Boston. It is hoped the United Offering will reach 3 million for the next Convention which will be held in Houston, Texas, 1955.

LOCAL EPISCOPALIANS NAMED ON 6th DEANERY

The following communicants of the Episcopal Church of St. John the Apostle were appointed last Sunday by Father Petrie to represent the congregation in the Sixth Deanery which is made up of all churches from Vero Beach on the North to Delray Beach on the South and taking in all the four churches on Lake Okeechobee.

Representing the vestry: G. R. Townsend and W. D. Matthews.

Representing the Woman's Auxiliary, Mrs. Thomas Bregger and Mrs. W. D. Matthews.

Representing the Sunday School, Mrs. Samuel Lovell.

Representing the Youth Work, E. S. Roberts.

The delegation will attend the first session of the newly organized deanery which will meet next Monday at 5 pm in the Church of Bethesda-by-the Sea, Palm Beach. After a business meeting dinner will be served to the delegates by the church. At 8 pm Evensong will be sung by the choir of Bethesda and a sermon delivered by the Rt. Rev. Henry I. Louttit, D.D., bishop of the diocese of South Florida.

QUICK MIX. FEATURES PROGRAM OF HD CLUB

Miss Sara Horton, County Home Demonstration agent, gave an interesting talk and demonstration on "quick mix for quick tricks" at the meeting of the Home Demonstration Club last Thursday afternoon at the Community Clubhouse.

Miss Horton demonstrated and served one minute coffee cake.

During the business meeting presided over by Mrs. W. R. Hooker, president, an election of officers for the new year took place. Reelected president, Mrs. Hooker; vice pres., Mrs. Ralph Kidder; secretary-treasurer, Mrs. David Motes; delegate to council, Mrs. Richard Murray.

There will be a Christmas party and exchange of home made gifts not to exceed the price of $1, at the next meeting on Dec. 17. Ladies interested are invited to attend. Fifteen members were present.

A high yellow flame on one side of an oil heater burner means the heater is getting too much oil on that side and should be tilted, by adjusting the heater leg or placing folded cardboard beneath it.

Florida State University, Tallahassee, is the only school in the country offering a BS degree in baking science and management.

News Of Churches Of The Glades Area

KATHLEEN LIVINGSTON, Editor

YOU NEED YOUR CHURCH YOUR CHURCH NEEDS YOU . . .

Jewish SS Class Sponsored By Aux

The Ladies Auxiliary of the Belle Glade Jewish Community Center is sponsoring a Sunday School that has recently been organized, and is being held at the Elks Club each Sunday morning 10 to 12 o'clock.

Members of the Sunday School class are Barbara and Iris Blum, Susan Engel, Stevie and Farrell Kaufman, Michelle Lee, Harvey Pearlman, Linda and Marily Rabin, Philip Ginsberg, Pahokee, and Margie Kahn, Pahokee.

Teaching the group are Dorothy Breslar, Lois Engel and Michael Ginsberg, Alfred Kahn is substitute teacher.

The Auxiliary is sponsoring a "Chanukah Party" following Sunday School November 29, at 12 o'clock. There will be an exchange of gifts, prizes, and a luncheon served, to members of the class.

Celebration of Chanukah commemorates the Jewish victory against the demoralizing and the oppressing Syrians and ancient Greeks, who aimed to eradicate Judaism. Judas Maccabee was the victorious leader of the Jewish people.

How Firm a Foundation

The favorite hymn of Andrew Jackson

IT TOOK A HARD-BOILED fighter to bring the Creek Nation to its knees. And Andrew Jackson was that. After conquering the Indians in the South the self-styled general marched into New Orleans in 1815, impressed recruits to add to his Tennesseans and with an army of only 6,000, slashed into British Gen. Pakenham's 12,000 veterans. Burning with vengeauce for ill treatment in his youth while a prisoner during the Revolution, Jackson cut down 2,000 English troops with the amazing loss of only seven killed and six wounded. But, hard-boiled as "Old Hickory" was, he held in tender respect the religious devotion of his wife, whose favorite hymn was "How Firm a Foundation."

Nobody knows who wrote the old hymn. It was first published in 1787, a year before Jackson settled in Nashville as a young lawyer and two years before George Washington was made president. As the hymn was printed under the initial, "K," its authorship has been attributed to both George Keith and Thomas Kirkham. It is doubtful that either wrote it. More likely the author was one Robert Keene, an assistant to London's Baptist Minister Dr. John Rippon, in whose book the hymn first appeared under the title, "Exceeding Great and Precious Promises."

On the grounds of the Hermitage, just off the Lebanon Highway 12 miles out of Nashville, lie the remains of President Andrew Jackson. On the same grounds the general once built a little church and hired a preacher so his beloved Rachael could worship and sing her hymns and he promised her many times that he would join the church. But Rachael Jackson died before "Old Hickory" got around to fulfilling his promise. Of her he said, "Heaven will not be heaven for me unless I find my wife there."

In 1845 a group of friends called at the Hermitage. The old warrior was dying. He had forgiven his enemies—"collectively" at least. And he had joined the church . . . the Presbyterian Church in Nashville. All his bitterness was gone and he wanted only to join his wife. He asked the group to gather around his bed and sing the favorite hymn of his wife . . . and his.

"How firm a foundation, ye saints of the Lord,
Is laid for your faith in His excellent Word!
What more can He say than to you He hath said,
You who unto Jesus for refuge have fled?

"In every condition, in sickness, in health,
In poverty's vale, or abounding in wealth;
At home and abroad, on land, on the sea,
As your days may demand, shall your strength ever be.

"E'en down to old age, all My people shall prove
My sovereign, eternal, unchangeable love;
And when hoary hairs shall their temples adorn,
Like lambs they shall still in My bosom be borne.

"The soul that on Jesus hath leaned for repose,
I will not, I will not desert to its foes;
That soul, though all hell should endeavor to shake,
I'll never, no, never, no, never forsake!"

LADIES AUX. OF JEWISH CENTER TO MEET DEC. 7

The Ladies Auxiliary of the Belle Glade Jewish Community Center meet the first Monday of each month at 8:30 pm at the home of members.

Officers of the group are, president, Mrs. Abe Engle, secretary, Mrs. Al Multach; treasurer, Mrs. Joe Kahn.

The next meeting will be held at the home of Mrs. Herman Baxt on December 7.

COMMUNITY SING AT OSCEOLA NURSERY

There will be a Community Sing at the Osceola Nursery building Sunday afternoon at 3 pm. Everyone is invited to attend. Come and bring your children.

PRESBYTERIAN WOMEN ELECT NEW OFFICERS

The Circles of the Everglades Presbyterian Church held their regular meeting at the church recently with Mrs. Mina Murray presiding. Officers for the coming year were elected as follows: secretary, Mrs. Tom Foster; treasurer, Mrs. I. L. Price; chairman of Christian extension, Lois Ruff; chairman of Christian education, Mrs. David Motes; chairman of annuity and relief; Mrs. Clyde Clayton; chairman of nursery, Mrs. Buddie Lutz; pastor's aide, Mrs. John Turner.

Mrs. W. K. Whitlock was in charge of the program, "My Church is Part of the Whole", with Mrs. David Motes taking part.

The next meeting will be a joint annual and Christmas meeting on December 15.

Others present were Mrs. Tommy Parker, Mrs. Ina Powell, Mrs. Helen Browning, Mrs. W. F. Knight, Mrs. A. L. Cumpton, Mrs. Gene Beck, Mrs. Mildred Booth, Mrs. J. Nierenberg, Mrs. Robert Ford, Mrs. John Randolph and Mrs. C. E. Crichfield.

THANKSGIVING PLAYLET PRESENTED BY JUNIORS

"Five Grains of Corn" was the name of the Thanksgiving playlet presented Sunday morning in the Junior Sunday School department at the First Baptist Church.

The scene portrayed Thanksgiving in the days of the Pilgrams in New England. The table was set with early American china and lighted candles. Beside each place setting there were five grains of corn, a tradition carried out by the New Englanders.

Characters portrayed were the mother, Janet Ruth Kirk; father, Alvin Schlechter; John, Gary Norman; Elizabeth, Carolyn Markham; Priscilla Alden, Linda Evans; Mary, Bobbie Kirchman.

The group sang the doxology and the 100th Psalm was read.

Another scene of a log cabin, Indians and Pilgrims was presented by Terry Kirchman.

With the closing of the program each junior was presented with "five grains of corn" to keep and bring to the next Thanksgiving program naming the five lessons they have learned during the year.

Mrs. Eddie Schoeppel, Sunday School superintendent was in charge of program.

"It's Practical To Trust God"

INTERNATIONAL SUNDAY SCHOOL LESSON

November 29, 1953
LESSON TOPIC — "Opportunity For All"
SCRIPTURE LESSON — Dueteronomy 24:14-15, 19; Amos 5:10-15 24; II Thessalonians 3:7-10
By Rev. Robert Ford

INTRODUCTION:

Last week we thought of Christian Compassion for a needy world. Christian Compassion should seek to minister to human need, but Christian Statesmanship should seek to strike at the sources of human poverty and misery. Christians should seek to build a world in which there is opportunity for all. What most of the under-priviledged of the world need, more than charity, is a chance.

I. JUSTICE FOR THE HIRED SERVANT—Dueteronomy 24:14-15.

Written long ago to a society different from ours, this Law from God reveals His compassion for the hired servant and stranger. God's Word is not to be considered as rules, but rather as principle. The spirit of the law is met when wages of labor are paid promptly and in full.

II. ESTABLISH JUSTICE IN THE LAND—Amos 5:10-15, 24.

Amos the Prophet of social righteousness fought for the rights of the peasants in eighth century Isreal. But his message thunders down through history. Worship is insulting to God when divorced from justice in all dealings and when it is separated from a concern for righteousness. The only hope, according to Amos, is the re-establishment of Social Righteousness in the land.

III. EVERY MAN MUST WORK — II Thessalonians 3:7-10.

The Church at Thessalanica was concerned over the poor and needy. This problem was complicated by those who felt that the return of the Lord was near and quit work. Thus a problem of caring for the truly needy was quickened by those who through idleness also became needy. Paul says "That if any would not work, neither should he eat." Sound advice to prevent the abuse of the charity of the early Church, and equally sound advice for today.

CONCLUSION:

OPPORTUNITY FOR ALL; The Christian answer to the problems of a needy world. Equal justice for all in courts; Equal educational opportunities for all, Equal economic opportunities for all. Not charity, but opportunity undergirded with Christian concern. The hope for salvation of the world's conditions is the same as in the day of Amos, it is the re-establishment of Righteousness and Justic in the world.

Activities of Glades Scouts

Continued from last week)

"Under the Green Umbrella"

Does joining an area mean the national staff will no longer visit us?

No. Actually you will have more contact with the national organization. As lone troops and councils combine into large councils, the national staff will have fewer units to serve and will be able to serve each of these larger councils more adequately.

Community Support

Will more volunteers be required, and if so, how can we get them?

1) There will be some different jobs which will attract new people to Scouting.

2) With professional staff to give help in how to do jobs, it is easier to find volunteers.

How can we gain community support for this plan when in our town there are already so many other organizations demanding time and money?

1) If you have faith and belief in what Scouting can really do for the girls in your community, you can "sell" it to others.

2) Through using the regular publicity media to their best advantage, you will get respect and support.

3) The interest and support of civic-minded men and women who have the ability to do a bigger administrative job can be secured because you have a more challenging job to offer them.

4) Your community will be pleased that one more organization is going to be professionally directed so that money and effort invested in its receive the protection of trained guidance.

National Organization and Policy

What happens if we do not go into this new organization?

Since it is the policy of our national organization to have every community within the jurisdiction of a council, your community will eventually become a part of some council.

The work of the Study Committee which has been meeting in West Palm Beach during the past several weeks and which is represented locally by Dr. and Mrs. Mrs. Robert Allen of the local Girl Scout Central Committee is as follows:

1. Organize the Committee
   a. Officers
   b. Method of election
   c. Time and place of meetings
   d. How to finance expenses
   e. Plan of work committee
   f. Record keeping and reporting
2. Secure information needed for the work of the Study Committee
   a. Membership
   b. Training and camping statistics
   c. Money secured and how spent
   d. Program practices
   e. Property ownership
   f. Community factors—population, financial resources, support of similar agencies.
3. Ascertain needs of the communities from this information and other informaiton provided by the representatives.
4. Develop a plan of work based on these needs.
5. Determine the professional services needed to carry out such a plan of work.
6. Estimate cost of carrying out the plan.
7. Investigate the structure of a possible council for the proposed area in order to recommend districts.
8. Present the plan of work and budget to the entire membership at a general meeting or a series of smaller meetings and provide mimeographed copies of the report for all members.

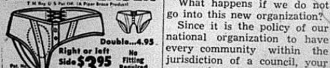

Approximately 28 Cub Scouts and twenty-one parents met for the monthly pack meeting at the Methodist Church Friday night, Nov. 20, with cub master, Dick Hodges in charge.

Mrs. Robert Creech, Jr., and Mrs. Malcolm Bedsole Den mothers had their cubs give a skit. The cubs of Mrs. Dick Hodges gave a scout yell, and Mrs. Douglas Matthews' den gave a reading.

William Houmes and S. K. Smith., Jr., on the cub scout committee were also present.

Recently a survey was taken in the schools to determine how many boys would like to belong to Cub Scouts and about 70 boys signed up. So far there are only 4 Den mothers. There must be some of the mothers of these boys interested in seeing more dens organized or leaders that would be willing to spend a few hours a week in this work.

ACCIDENTS IN FLORIDA DROP DURING OCTOBER

The Florida Highway Patrol investigated fewer accidents last month than for a comparative period last year. There was a sizable decrease in traffic injuries although the number killed showed a slight upward trend of eight percent.

Even with a small increase in traffic deaths, there was a seven percent decrease in the number of accidents, the drop was from 1,056 to 979, and a 12 percent decrease from last year in the numuer injured, from 509 to 446.

In some other activities shown in the monthly comparative report, declines were indicated. Arrests went down 30 percent and written warning decreased 29 percent.

In the safety education, activities continued on an upward trend. Speeches rose 23 percent; radio talks went up an equal amount, nad the number of safety film shown increased some.

Although on a shorter working day — but with increased manpower — troopers put in almost 3,000 hours more in October than for the same month a year ago. They patrolled about 6,000 miles less than for October 1952. Twenty-two percent more people took driver tests than one year ago last month; 11 percent more passed, while 35 percent of those who didn't get permits did so because their applications were incomplete or they failed to properly know driving regulation. One hundred and twenty-six trucks were found overweight and paid $14,329 assessments

2.000.000 LBS. TURKEY WILL BE IMPORTED TO FLA. FOR HOLIDAY MARKETS

Florida's turkey flocks are expected to provide some 3,000,000 pounds of meat for consumption in the State by this year's end.

Florida producers started the year with 31,000 birds, valued at approximately $200,000, more by 4,000 birds than in 1952.

Production this year is expected to reach 189,000 birds with a live sales value of about $1,400,000, the Florida State Chamber of Commerce reported recently.

The gap consumption and production of turkeys in Florida is brought out in this week's business review of the State Chamber's research and industrial division. Florida residents, including armed forces stationed within the State, will have eaten some 14 million pounds of turkey by the end of the year. Tourists will consume another 5 million pounds.

Only 17 percent of this 19 million pound market will be filled by turkeys grown in Florida. Florida producers cannot compete with certain of the large feed-surplus States, but there is every indication that the consumption-production difference can be lessened with advantage to Florida producers.

Placing the oil heater close to the cold north wall of the home will cause air pressure to push heat evenly throughout the home, engineering experts advise.

DIVERSIFIED COOPERATIVE

(Continued from Page One)

Answer: School 4 hours in the morning, work 4 hours in the afternoon. Two hours regular academic subjects and two hours of related D.C.T can be arranged — any two hours of the first four as: 1 & 3, 2 & 4, or 3 & 4.

6. What credits are given for D.C.T. participation toward graduation?

   Answer: 2½ credits per year — two credits for D.C.T. and ½ credit for physical education — however physical education is not required and credit is waived. 4½ credits earned for total subjects — the same number that a student would earn in the regular program.

7. What business firms are eligible to participate? Size of business? Types of business?

   Answer: Any business which can train a student toward a profession or trade, 1,000 hours each year is required. Following is a suggested list of occupations:

Advertising Salesman	Dental Assistant
Auto Electrician	Dental Technician
Auto Mechanic	Doctor's Assistant
Bank Teller	Dry Cleaner
Bookkeeper	Electrician
Cashier	Floral Designer
Customer Advisor	Fountain Manager
Furniture Salesman	Printer
Grocery Store Manager	Radio Repairman
Hospital Attendant	Radio Technician
Landscape Gardner	Record Store Manager
Laboratory Technician	Secretary
Legal Secretary	Sign Painter
Meat Cutter	Stenographer
Motorcycle Mechanic	Stock Clerk
Motor Scooter Repairman	Theatre Manager
Office Nurse	Upholsterer
Pediatrician's Assistant	Watch Repairman
Photographer's Assistant	Window Trimmer
Pre-nursing	

8. What specific regulations with regard to the business are required? Must the man who supervises the student in the business be a college person?

   Answer: A reputable business firm.
   No.

9. What does the State program reqire in the way of qualifications of the person in the business who will supervise the student?

   Answer: This is left to the discretion of the coordinator? A reputable firm.

10. What is the number of the staff for supervision?

    Answer: One coordinator for each school, load 15-37 students.

11. What additional burden would be placed upon the principal and present faculty with the inauguration of the program?

    Answer: No extra burden on the principal or faculty.

12. List—classified—of businesses which have proved successful for D.C.T. programs?

    Answer: See No. 7.

13. What benefits have been derived from the D.C.T.—evaluation program from business and student viewpoint?

    Answer: To the Student DCT offers the opportunity:

    To develop salable skills through training and work experience in an actual business establishment in his own community while completing his high school education, and thus

    To make a gradual transition from school to employment.

    To establish desirable work habits and attitudes.

    To learn to work harmoniously with others, both employers and other employees, during the years when he is best able to make personality adjustments.

    To lay the foundation for future economic security.

    To discover and develop his interests, latent aptitudes, and abilities both through training on the job and through club activities that are an important part of the total program of Diversified Cooperative Training.

    To participate in activities designed to develop good leadership and followership—in school, business, and civic life.

    To the SCHOOL, five very real advantages accrue, in that DCT enables the school

    To reach any of those students whose interests and abilities are not satisfied through the traditional academic program.

    To meet definite job-training needs of those who must enter employment immediately after graduation.

    To reach and hold a greater number of students in the school until graduation.

    To keep the school abreast of business developments and trends.

    To better meet the training needs of the community which the school desires to serve.

    To the EMPLOYER, DCT offers advantages that are equally attractive, in that it provides for them opportunity

    To train future employees to their exact specifications, with the help of the public schools, thus obtaining better-trained workers at less cost.

    To have a share in public school education, thus contributing to the betterment of the community from which it draws its business.

DCT students have gained promotions much more quickly than regular graduates because they have had supervised training and experience. Students who have gone to college hvae made outstanding records for themselves and approximately 14% in the state go on to college. However the DCT program caters to the student who does not plan to go college.

Prevent Soil Insect Damage with CHLORDANE

First indications of the presence of wireworms or other soil insects is often actual crop damage, and then it's too late to begin control measures. To fully protect your crops against these pests, treat the soil before crop damage becomes evident — treat the soil with Chlordane. Chlordane's highly effective initial control and long-lasting residual action have made it popular with farmers all over the land. It's economical too, and easy to apply. In every way, it meets the need for preventing insect damage. Order Chlordane from your dealer today, and apply it at planting time. For details on Chlordane applications in your area, consult your county agent.

SOUTH BAY BEAN CITY LAKE HARBOR

Miss Irene Dawson of West Palm Beach visited Mrs. Mildred Larrick in Lake Harbor for a few days last week.

* * *

Mrs. C. Jack White of Macon, Georgia visited her daughters, Mrs. W. W. Ferguson and Mrs. D. L. Shiver and their families here this past week.

* * *

Mrs. Elizabeth Lockmiller of Winlock, Washington arrived Saturday for a two months visit with her son, Kenneth L. Lockmiller and family, and other old friends and relatives in the Glades.

* * *

Mrs. Eric D. Hartline has returned from Round Mountain, Alabama, where she was called six weeks ago by the illness of her sister.

* * *

Trooper Frank Cline has been stationed in South Bay as patrolman in the Glades. He has taken a room at the home of Jack Parker.

* * *

Mr. and Mrs. K. L. Lockmiller (Lillian Walker) announce the birth of a daughter, Lawana Louise, at the Belle Glade Memorial Hospital on Sunday, November 15.

* * *

Mrs. W. C. Allen was called to Anniston, Alabama the first of the week by the serious illness of her sister, Mrs. Edward Green.

* * *

Mr. and Mrs. W. E. McDonald have returned from Belle Glade to South Bay and are occupying the Raymond L. Wilder home.

* * *

Mrs. Marie Mullin of Miami Beach spent Thanksgiving with her daughter and son-in-law and grandchildren, Mr. and Mrs. J. C. Bowen and family.

* * *

The Lions Club conducted a Turkey Shoot just west of Willits Store Tuesday and Wednesday.

* * *

Mr. and Mrs. Roy O'Bannon of Tuscon, Arizona and Mrs. C. C. Hutson of West Palm Beach visited their mother, Mrs. Laura Crow, sister and brother-in-law, Mr. and Mrs. E. M. Willits Sunday.

* * *

Mrs. James Dymond of Rockford, Ill., college classmate of Mrs. G. J. Barstow, Mr. and Mrs. Edgar Buzzell of Delavan, Wisconscin are house guests of Mrs. Barstow for a few days this week.

* * *

Mr. and Mrs. Henry Trimmer of Fort Lauderdale, and Miss Marilyn Swartout of Lansing, Michigan, girlhood friends of Mrs. C. E. Crichfield, were Sunday guests of the Crichfields.

* * *

The South Bay School Cafeteria has just installed a new Hot Point Deep Freeze, 24 cu. ft. special for school cafeterias.

* * *

Mr. and Mrs. Leland G. Keene, Patricia Ann and Lynda Lou of Pahokee were the Sunday dinner guests of Mr. and Mrs. A. B. Barnes.

* * *

Mrs. Ida Hoover of St. Augustine arrived the first of the week to spend the Thanksgiving holiday with her daughter and son-in-law, Mr. and Mrs. Frank B. Willits and family.

* * *

Mr. and Mrs. Dick Mueller of San Diego, California, friends of Glidden J. Barstow, Jr., of San Diego, called on Mrs. G. J. Barstow Sunday, as they were enroute home from a business trip to Key West.

* * *

Mrs. W. F. Martin and children of Fort Myers visited Mr. and Mrs. O. H. Martin Monday.

* * *

Captain L. O. "Jack" Ratley of Washington, D. C. spent the weekend with his mother, Mrs. L. O. Ratley, sisters, Miss June Ratley, Mrs. Edwin Dorsey and Mrs. Curtis Williams, and brother, Billy Joe Ratley.

* * *

Mr. and Mrs. Donald Barnes have retunred from a business trip to Houston, Texas.

* * *

Mrs. B. M. Fender has returned to her duties as canteen manager at the Pioneer Growers.

* * *

Mr. and Mrs. T. L. Driggers had as weekend house guests her sister, Mrs. Frank Land and son, Frankie of Fort Myers.

* * *

Mr. and Mrs. George Lamb are moving to Fort Lauderdale.

* * *

The Boy Scouts are planning a chicken barbecue for December 9.

* * *

GARDEN CLUB TO SPONSOR XMAS LIGHTING CONTEST

The South Bay Garden Club meeting at the Legion Hall on Wednesday afternoon voted to sponsor a Christmas Lighting Contest with cash prizes for both home and business displays. The best out-door home lighting will be awarded a prize of $25, the second will receive $15 and the third $5. The best window decoration and lighting display for business houses will receive a prize of $5.00. Mrs. H. C. Wililts and Mrs. R. R. Roadman were named a committee to secure judges for this contest.

Plans were also made for the annual Christmas Party and gift exchange. Husbands of members will be guests at a turkey Thanksgiving dinner at the Legion Hall on Tuesday, December 8 at 7:30 o'clock. Mrs. S. E. Henderson is chairman in charge of the banquet.

Mrs. Bert Hopson of Belle Glade was the speaker of the afternoon. She discussed the culture and care of roses in the home garden and gave pointers on how to grow and prepare blooms for exhibition either as specimens or in arrangements.

Mrs. Hopson also announced that the Belle Glade Garden Club were sponsoring the third course in the Flower Show School for Judging in March and invited local members to take advantage of this course. The course will last for three days. One day will be devoted to horticulture with M rs. Nan Knox of Fort Lauderdale as instructor. One day will be spent on instruction in floral arrangements taught by Mrs. Ann Sara. The examinations will be given on the third and last day. A nominal fee will be charged to defray expenses.

Mrs. Mildred Challancin presided in the absence of the president, M rs. John L. Evans. Roll call was answered by naming a flower. The treasurer reported a balance of $175.88. Mrs. S. E. Henderson, membership chairman, reported 12 paid up members to date.

Mrs. Mollie Covell, scrap book chairman, reported the scrape book had been ordered. Mrs. Eric Hartline and Mrs. Frank Wilson were named to the hospitality committee.

Mrs. Mary Waters reported on plans for landscaping the James B. Jeffries Memorial Recreational Park. She stated that Jack Parker had donated trees and shrubs from the Dania Nursery and plans were made for Mrs. Waters and committee to go down and select the ornamentals desired. It was agreed to plant a clump of three Sabal Palms, the state tree, and two water oaks and to use hibiscus as chief ornamental shrub. A county park crew will assist in the planting and landscaping the park, she stated. The county is also installing stationary tables in the park and the Lions Club plans to add movable tables. The city is to furnish playground equipment, she said.

A plant exchange among members was a feature of the day

Mrs. Hartline and Mrs. Henderson, hospitality committee for the day served cookies and Cokes at the end of the program to Mrs. Luther Jones, guest from Belle Glade, Mrs. Hopson, Mrs. R. R. Roadman, Mrs. F. B. Willits, Mrs. Mark Challancin, Mrs. Mollie Covell, Mrs. G. J. Barstow, Mrs. Mary McCarson, Mrs. Clayton Waters, Mrs. Ann Ouellette, Mrs. I. P. Roberts, Mrs. E. M. Wililts, Mrs. H. C. Willits.

WIENER ROAST PARTY FOR BILLY MILLER

Billy Miller was host at a wiener roast at the Marvin Miller home on Friday in celebration of his twelfth birthday.

Impromptu games provided entertainmnet for the guests and pictures were taken of the group.

Ice cream, cake and soft drinks were served as dessert.

Guests were Marsha Walker, Ronnie Bowen, Caroline White, Butch Davis, Patsy Keene, Jim Challancin, John Little, Effie Lou Keene, Mary Mathewson, Minerva Guiterrez, Sue Miller, Charles Miller, and Mrs. Lelnad G. Keene.

JEWEL LOVELL ASSUMES CITY CLERK DUTIES

The City Council at their last meeting examined the audit of the year's books recently submitted by W. E. Keen, CPA of West Palm Beach and authorized the clerk to contact the auditor to request the auditor to meet them at their next session to clarify some items not fully understood.

The clerk was also authorized to call for bids on a new police car, the old car to be traded in on the purchase price of a new car for either 1953 or 1954 model. Chief of Police White reqested that the new car be equipped with a heater.

An application for a building permit to erect an office by Jack Parker was approved.

Mrs. Mary Waters, park supervisor, reported on plans for landscaping the James B. Jeffries Memorial Recreation Park, stating that shrubs, trees and plants had been donated by Jack Parker from his Dania Nursery and also from private individuals. She also reported that the county park crew had agreed to help with the landscaping and setting of the trees and ornamentals and requested a water line to the park in order that the new plantings could be watered. The council agreed to extend the water line to the park.

Mrs. Waters also called attention to the fact that the Garden Club was sponsoring a Christmas Lighting Contest with cash prizes. She states that the Florida Power & Light had agreed to donate $20 in cash for prizes and requested a donation from the city. The Council voted to donate $25.00 to this purpose.

Mrs. Jewel Lovell, whose appointment as city clerk was confirmed at this meeting, took over the office on Wednesday, November 18.

THIRD BIRTHDAY PARTY FOR RONDA WALKER

Mrs. Horace H. Walker entertained at a children's party Thursday afternoon in compliment to her daughter, Ronda on her third birthday.

Multicolored streamers of crepe paper and pendent balloons decorated the room. The tots were entertained with a picture show of children's comics.

Candy, bubble gum and balloons were given as favors.

Cake and lemonade was served to Doris Willits, Ivan and Sue Willis, Vicki Challancin, Billy Rogers, Anita and Georgie Lamb, Teresa and Buddy Wilder, Vicki Wilson, Rita and Eddie Leathlean, Jimmie and Debbie Lanier, Linda Miller, Judy Welch, Michael Kelley, Glinda Crews, Johnnie and Sandra Cooper, Judy Young, Gary Walker, Katie and David Morris, Sue Dorsey, Joan Willits, Sharon Roberts, Barbara Warren, Alice and Wayne Miners, Delores and Patsy Martin, Marian and Ray Sullivan, Linda and Edwin Walker, Janet Crichfield, Darrell Sanders, Neil Walker, Ricky, John Lee, Daphney and Betty Lou Henderson, Larry, Pat and Jill Bowen.

THANKSGIVING SERVICE HELD AT BAPTIST CHURCH

The South Bay Baptist Church observed Thanksgiving in sunrise service at 7:30 o'clock Thursday morning at the church.

A stewardship study course was completed Wednesday with 32 awards being given. Rev. John Cooper was in charge and taught the adults. Mrs. R. L. Hall taught the young people, Miss June Ratley the intermediates and Mrs. W. M. Jeffries the juniors.

A building program is being formulated to be presented at the next meeting of the board for adoption. It contemplated building a new edifice in the rear of the present church on SR No. 80. When the new church is finished the old building will be razed and the space used for parking.

GOOD CITIZENSHIP LEAGUE TO BE ORGANIZED HERE

Fred T. Barnet of Lakeland, executive secretary for the United Florida Dries, will be in the Glades the last of the week to conduct a series of meetings culminating in the organization of a Good Citizenship League.

Tentative plans for the series had to be revised owing to the fact that they conflicted with the Thanksgiving services.

He will speak at the Canal Point Community Hall on Friday, November 27 at 8 o'clock; and at the Belle Glade Church of God on Sunday, November 29 at the morning service. Sunday afternoon, November 29 at at 2 o'clock he will conduct an organizational meeting at the South Bay Baptist Church to organize a Good Citizenship League of laymen.

The movement is being sponsored by the various churches in the Everglades area of Palm Beach County as an adventure in working toward better citizenship among all the people. The Good Citizenship League in other parts of Florida has been quite successful in controlling illegal gambling and liquor sales.

Camphor, cinnamon and avocado trees are all related members of the Laurel tree family.

CASE DIESEL "500"

POWER STEERING

Here at last is a diesel tractor that's easy to start, easy to handle, easy to maintain. It starts on diesel fuel at a touch of the starter button on the 12-volt, heavy-duty, electric system—no gasoline engine, no gasoline. Six-point filtering system keeps fuel clean. "POWRCEL" controlled combustion gives amazingly smooth, quiet power. Powerful 6-cylinder engine . . . 7-bearing crankshaft . . . 5-plow capacity.

Besides diesel economy, it offers you Constant Power Take-Off, Constant Dual Valve Hydraulic Control, Double Disk Brakes. And you can obtain POWER STEERING if you want it.

...if there were only ONE telephone in the world

If you had the only telephone in the world, you couldn't use it. There would be nobody else you could call.

The value of a telephone is in the great number of people you can reach with it. You can talk with almost anyone, anywhere—quickly, easily and at low cost.

Last week the number of telephones in this nation passed the 50,000,000 mark. That's more than there are in all the rest of the world. It figures out to about one telephone for every three people in this country.

Most of these telephones are served by local Bell Companies like Southern Bell. Nearly 9,000,000, however, are operated by 5300 other companies.

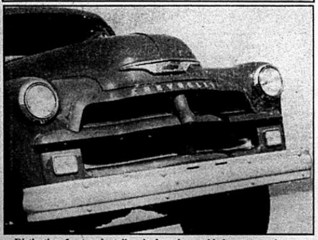

In no other nation is the telephone so available, so useful and so low in cost.

FAST GROWTH IN DIXIE...

The number of telephones in the areas served by Southern Bell has jumped from 1,863,204 at the beginning of 1946 to more than 4,200,000 today.

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY

CHEVROLET SHOWS '54 TRUCKS

Distinctive front-end styling is keyed to added power and greater ruggedness of the completely re-engineered Chevrolet trucks. Features include new engines, optional automatic transmission, increased cab comfort and safety and easier load convenience.

Completely re-engineered to give outstanding performance in meeting modern hauling requirements, a new line of 1954 Chevrolet trucks will be introduced by dealers Saturday (November 28).

Trucks operators will have an opportunity to see the new vehicles in an exclusive truck display at Chevrolet dealers' showrooms at that time. Improvements in every part of the vehicle — engine, chassis and body — have been designed with an eye to current and future needs of truck owners nad drivers. Among the more important advancements are the following features:

1. Three new engines, with increased horsepower and outstanding, economical performance, include the most powerful truck engine ever built by Chevrolet.

2. Automatic transmissions optional through the one-ton (10,000 lbs. GVW) model range.

3. Increased durability, with heavier axle shafts in the two-ton models, bigger clutches on light—and heavy-duty models and more rigid frames on all models. Optional heavy-duty three-speed transmissions available on light—and medium-duty models offer greater gear reduction, more rugged construction nd a steering-column gearshift lever on one-ton models.

4. Dramatically improved comfort for the driver through a new Ride-Control seat, standard on cab-over-engine models nad optional in all other cabs.

5. Appearance improvement with a new, more massive radiator grille and front-end design, while a one-piece curved windshield increases visibility and safety as well as adding to the distinction of the vehicle.

6. More space for payloads and easier loading. The body height of pickup, platform and stake models has been lowered through modified body mountings. Unobstructed loading space has been lengthened on several models.

Changes in the new Chevrolet trucks, according to the company have been made to meet and anticipate the needs of drivers and operators. They are the results of suggestions made by users to Chevrolet field men, and long range planning by designers and engineers.

Most of the truck models are easier to load. In pickup bodies, although the sides are higher, the over-the side loading height is less. The rigid, grain-tight tail gate will support long loads when lowered.

The new Chevrolet stake bodies are wider and longer. On the 161-inch heavy-duty chassis, the body of this multi-purpose truck measures a full 12 feet inside the stakes. Loading heights on the stake models are lower, rear corners have been rounded and the stakes themselves are higher, extending 42 inches from the body floor on the nine- and twelve-foot bodies.

Major changes are reported in the new Thriftmaster and Loadmaster truck engines. Increased compression ratio of 7.5 to 1 provides greater economy and 112 horsepower, resulting in higher top speed, faster acceleration and improved hill--climbing ability. Added durability and smoother operation result from full-pressure lubrication, lightweight aluminum pistons, insert-type connecting rod bearings, more rigid crankshaft and connecting rods and strengthened valve-operating mechanisms. Exhaust valve rotators, XCR valves and chrome top piston rings are standard on the Loadmaster.

For heavy-duty models the most powerful truck engine in Chevrolet history, the Jobmaster is offered as optional equipment. It provides greater power for acceleration and grade-climbing. The need for operation in low gear is reduced, producing longer engine life and economy. With displacement of 261 cubic inches and a compression ratio of 7.17 to 1, it has 135 horsepower. Cylinders are larger and a new high life cam provides freer breathing. The exhaust valve rotators, XCR valves and chrome top piston rings are standard.

The automatic transmission is a new optional feature, available on light- and medium-duty models. It offers new driving ease and important time savings, particularly in frequent-stop delivery work. The automatic transmission is four-speed hydra-matic design, except on the sedan delivery model, on which Powerglide is available. The selector lever is conveniently mounted on the steering column.

Comfort for the driver has been increased greatly with the new Ride-Control seat. It provides real driver comfort even on long, continuous hauls. The seat and back are built as a unit, and the back moves up and down in unison with the seat cushion.

As part of the new external appearance, the hood emblem, of bright metal, is of new design. The parking lights are near the edges of the fenders, marking the true width of the vehicle more clearly. A choice of 12 attractive colors is available at no extra cost.

Those attending were Rev. and M rs. John Cooper, Mrs. H. C. Willits, Mrs. W. M. Jeffries, Mr. and Mrs. M. J. Hardy, Mr. and Mrs. R. L. Lovell, Mrs. F. B. Willits, Mrs. C. J. Brown, Mrs. Linton Miller, Mrs. Messer, Mrs. P. E. Goodbread, Mrs. Alice Lamoureux, Mrs. Frank Prevatt.

ENGINEERS, GEOLOGISTS WANTED BY GOVERNMENT

Examinations have been announced for Highway Engineer Trainee and Geologist positions, the United States Civil Service Commission announced today. Both kinds of positions are located in Washington, D. C., and throughout the United States.

Highway Engineer Trainee positions pay $3,175 and $3,410 a year. Completion of a full civil engineering curriculum in an accredited college or university, or a 4 years of experience in civil engineering is required for the $3,410 positions. Three-fourths of the credits required for a bachelor's degree in civil engineering is required for the $3,175 positions. Students who expect to complete the required amount of study by September 30, 1954, may apply.

Geologist positions pay $3,410 and $4,205 a year. Appropriate education or a combination of education and experience is required.

Written tests are required in connection with both examinations. The age limits are 18 to 35 years, except for geologist positions paying $4,205, for which there is no maximum age limit.

The submarine is not a new idea. Recorded history reveals that Herodotus attempted to build one in 460 B.C., and Pliny the Elder in 77 A.D., according to research by the Electric Boat Division of General Dynamics, builders of submarines for the U. S. Navy.

TIN CANS like these shown with pretty Betty Fellows, employee at American Can Company's new Plymouth, Florida, plant, carry the state's $275,000,000-a-year pack of canned citrus products to dinner tables across the nation. The Plymouth factory, newest addition to Florida's important can-making and citrus canning industries, will be opened formally on December 4 by a group of state and local government officials and business leaders led by U. S. Representative A. S. Herlong, Jr. of Leesburg. The factory has a rated annual capacity of 300,000,000 cans of the types seen here. They range from the well-known six-ounce frozen concentrated juice container (left) to 46-ounce cans (right) for packing single strength, or non-concentrated juices. Florida canners last season filled about two billion cans of all types wiht orange, grapefruit, tangerine and lime products grown in the state.

Outdoor Florida

By Herb Mosher

Mayor Ray Greene of Winter Park, recognizing the importance of fishing for what it is (America's leading sport) has written me a most interesting guest column for this week, pointing out the very great importance of fishing in Florida. His city soon will complete a municipal fishing pier, in one of Winter Park lakes. Mayor Greene's fine column, however, speaks for itself, so this introduction will be as short: —

"As I sat at my desk this November day I saw a Cadillac park opposite my office and soon in walked a middle aged, successful appearing business man who greeted me with a broad smile and said, "I would like to look at a few of your fine homes in this community. I have travelled over the State of Florida. This section interests me more than any other section. I have a successful business in the Middle West, a fine organization and I have decided to bring my family to Florida and I am going to fish."

"I was reminded of very pleasant experiences with Rex Beach and Morris Ackerman, Rex attended Rollins College in his early days and directed the athletic program there. This duty fell to me after Rex went to the Klondike. Morris for many years before his departure from this earth published a hunting and fish guide which posted the sportsmen of this Nation where to fish and hunt in the United States and Canada. A small group, of which I was priviledged to be a member, used to go down on the Kissimmee River and hunt and fish on a 19,000 acre ranch and also during the seasons we would travel to Lake Okeechobee, wade out a mile from shore, shoot ducks and fish.

"I took my prospect to a number of homes, but he insitsed on inspecting only those home with a lake shore and he finally decided to purchase a most attractive Mediterranean type structrue with spacious grounds, with two hundred feet of lake front. He continues to enjoy it daily and is fully equipped with motors, boats plus plenty of fishing tackle.

"Soon after I took over as Mayor of Winter Park, Bill Cross, who lives here and represents a fence company of national fame, came in to see me and told me of his interest in the 'Little League for Baseball.' He was unable to find a spot where four teams could play and asked me to help him. We soon found a place which had been used by a golf club, with plenty of parking space for autos, and soon two diamonds were clayed and a very successful season conudcted.

"Bill Cross is a busy man with his business and especially the 'Little League', but during the baseball season he returned to my office to ask me to help him to find a spot on one of our fine lakes where a Fishing Pier could be built for the Little Leaguers. Bill wanted a spot fifty feet from shore, a dock ten feet wide and 100 feet long. Said he; 'if the city will allow us a spot I will get the lumber and it won't be long before we will have a place for these boys to fish.'

"What it is about fishing that interests Ex-President Hoover and keeps him in the open? Why does President Eisenhower reach for his tackle every chance he has and make for some stream or fine lake? Why did my friend who wanted to purchase a fine home insist that home be on a lake where he could go fishing?

"Fishing is excellent recreation and sport. Sharing your fishing fun with your family, or a group of intimate friends, on a peaceful lake, or down a wading stream, in God's pure air, in the open spaces, brings a rare kind of satisfaction. Add the sounds and sights which are perceived in the course of an outing and you come up with an idea, that somehow fishing docks, tackle, valuable time of experienced fishermen and other equipment must be provided, these days, for our young Americans.

"For as Horace Hight says, 'It is better to build boys than to mend men." Winter Park will thus provide the 'Little Leaguers' with a pier."

FLORIDA FARM PRODUCTS SHOW INCREASE FOR '52

Florida farm products sold for $495,211,000 last year.

This sum represented the gross total received by Florida farmers for all products sold by them during 1952. In addition to sales, Florida-produced foods and feeds worth about $25 million were consumed on the farms last year.

From the first of this year through August, receipts of Florida farmers have been running 3 percent above 1952.

Compared with 1951, last year's total was down 2 percent and was virtually the same as in 1950. The national figures showed the same decline. Sixteen states in the nation showed increases from farm sales, others had decreased as high as 19 percent, the Florida State Chamber of Commerce reported this week.

A breakdown of the Florida cash farm income in 1952 is shown in this week's business review of the State Chamber's research and Industrial division. Cattle and calves brought $39,363,000, more by 10 percent than in 1950. Dairy products $39,700,000, up 3 percent; hogs and pigs $19,496,00; chickens and other fowl $16,341,000; eggs $14,596,000, virtually no change. Truck crops worth $138;752,000, more by 5 percent than in 1951 and all field crops came to $102,250,000, a 4 percent gain.

Total citrus sales amounted to $124,713,000 and were below 1951 sales. Declines were also noted in such field crops as tobacco, peanuts, pecans and forest crops sold by farmers.

United States Savings Bonds are dependable. Look on the back of your bond. The table there shows the value of the bond, including interest for every 6-month period.

Two or three $100 United States Savings Bonds a year will pay the annual depreciation on the average farm tractor.
